

The Great Sign,
The Harvest,
and God's Last
Warnings for a
Doomed World

Signs in Heaven

Let there be signs

- And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and **let them be for signs, and for seasons, and for days, and years:** And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: ***he made the stars also.*** And God set them in the firmament of the heaven to give light upon the earth, And to rule over the day and over the night, and to divide the light from the darkness: and God saw that *it was good.* And the evening and the morning were the fourth day. (Genesis 1:14-19)

The Glory of God

- The heavens declare the glory of God; and the firmament shows his handiwork. Day unto day utters speech and night unto night reveals knowledge. There is no speech nor language where their voice is not heard. Their line has gone out through all the earth and their words to the end of the world. In them he has made a tabernacle for the sun, which is like a bridegroom coming out of his chamber, and rejoices like a strong man to run it's race. It's rising is from one end of heaven, and it's circuit to the other end; and there is nothing hidden from it's heat. (Psalm 19:1-6)

Biblical astronomy is not astrology!

- Thus saith the LORD, Learn not **the way of the heathen**, and be not dismayed at **the signs of heaven**; for the heathen are dismayed at them. (Jeremiah 10:2)

2. Way of the heathen. Primarily the reference is to their way of worshiping, their religion (see Lev. 18:3; 20:23; see on Jer. 4:18).

Signs of heaven. The heathen made astrological calculations based on extraordinary appearances in the sky. Celestial phenomena, such as eclipses, comets, and particular conjunctions of the heavenly bodies, were frequently regarded as indications of national or individual fortunes (see Isa. 47:13).

Nichol, F. D. (1978; 2002). *The Seventh-day Adventist Bible Commentary, Volume 4* (400). Review and Herald Publishing Association.

Idolatry forbidden

- And lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, *even* all the host of heaven, shouldest be driven *to worship them, and serve them*, which the LORD thy God hath divided unto all nations under the whole heaven. (Deuteronomy 4:19)

For those who doubt, further study about the difference between astrology (a tool of Satan) and Biblical astronomy and the Hebrew Mazzaroth (God's appointed time and signs) is highly recommended, i.e. [Watchman Biblestudy—Biblical Astronomy](#)

The Mazzaroth

- Can you bind the sweet influences of Pleiades, or loose the bands of Orion? **Can you bring forth Mazzaroth in his season?** or can you guide Arcturus with his sons? Do you know the ordinances of heaven? can you set the dominion thereof in the earth? (Job 38:31-33)

The Hebrew “Mazzaroth” has nothing to do with astrology. **Rather, it is a tool that uses the stars to tell a story.**

The History of Redemption

In this presentation, we're going to look not only at Orion but also at the Mazzaroth, the Hebrew name for the zodiac. Many scholars believe the word *zodiac* comes from the Greek *zidiakòs kýklos* meaning "a circle of little animals." The Sanskrit root word *sodi*, though, means "the way" and reflects the Middle East understanding of the zodiac.

The Mazzaroth has nothing to do with astrology or any attempt to tell our futures based on the stars. Rather, the *Mazzaroth* is a tool that uses the stars to tell a story.

The Hebrews knew their constellations. They were not to worship the stars, but the first chapter of Genesis states that when God created the heavenly bodies, He did so for several reasons. He said, "...Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years."

The Revelation on the Firmament

- *In his isolated home [in Patmos, the apostle] John was able to study more closely than ever before the manifestations of divine power as recorded in the book of nature and in the pages of inspiration. To him it was a delight to **meditate on the work of creation and to adore the divine Architect**. In former years his eyes had been greeted by the sight of forest-covered hills, green valleys, and fruitful plains; and in the beauties of nature it had ever been his delight to trace the wisdom and skill of the Creator. He was now surrounded by scenes that to many would appear gloomy and uninteresting; but to John it was otherwise. While his surroundings might be desolate and barren, the blue heavens that bent above him were as bright and beautiful as the skies above his loved Jerusalem. In the wild, rugged rocks, in the mysteries of the deep, **in the glories of the firmament, he read important lessons. All bore the message of God's power and glory.** {AA 571.2}*

The Promise of the Latter Rain

The words of Joel repeated by Peter after the Early Rain was poured out:

- But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy: **And I will shew wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke:** The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come: And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved. (Acts 2:16-21)

The Harvest Message

Some verses above, Joel tells us that it is the Harvest Message:

- Fear not, O land; be glad and rejoice: for the LORD will do great things. Be not afraid, ye beasts of the field: for the pastures of the wilderness do spring, for the tree beareth her fruit, the fig tree and the vine do yield their strength. Be glad then, ye children of Zion, and rejoice in the LORD your God: for he hath given you the former rain moderately, and he will cause to come down for you the rain, the former rain, and the latter rain *in the first month*. And the floors shall be full of wheat, and the fats shall overflow with wine and oil. (Joel 2:21-24)

Right in Time

God gave this message about the Signs in Heaven to us, on May 8, 2017, with two days left for preparations for our yearly Lord's Supper in remembrance of Jesus' crucifixion on the first month's Passover.

In the year 31 *AD* this happened on the evening of May 24 in the first month after a second Adar. God instructed His messenger to have the Lord's Supper this year not in the first but in the second month. The priests were not ready with their cleansing in the first month (see 2 Chronicles 30:1-3). Two crisis had to be met, and the priests had to be prepared for this message...

The Elijah Crisis

- *The work of John was foretold by the prophet Malachi: "Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord; and he shall turn the heart of the fathers to the children, and the heart of the children to their fathers." [Malachi 4:5, 6.] John the Baptist went forth in the spirit and power of Elijah, to prepare the way of the Lord, and to turn the people to the wisdom of the just. He was a representative of those living in the last days, to whom God has intrusted sacred truths to present before the people, to prepare the way for the second appearing of Christ. And the same principles of temperance which John practiced should be observed by those who in our day are to warn the world of the coming of the Son of man. {CTBH 39.1}*

John the Baptist, always the greatest?

- *While there confined, John heard through his disciples of the mighty works of Jesus. He could not listen to His gracious words; but the disciples informed him and comforted him with what they had heard. Soon John was beheaded, through the influence of Herod's wife. **I saw that the humblest disciples who followed Jesus, witnessed His miracles, and heard the comforting words which fell from His lips, were greater than John the Baptist; that is, they were more exalted and honored, and had more pleasure in their lives. {EW 154.2}***
- *John came in the spirit and power of Elijah to proclaim the first advent of Jesus. I was pointed down to the last days and saw that John represented those who should go forth in the spirit and power of Elijah to herald **the day of wrath and the second advent of Jesus. {EW 155.1}***

Left in Total Darkness

- I was pointed back to the proclamation of the first advent of Christ. John was sent in the spirit and power of Elijah to prepare the way for Jesus' coming. Those who rejected the testimony of John were not benefited by the teachings of Jesus. Their opposition to the proclamation of his first advent placed them where **they could not readily receive the strongest evidence of his being the Messiah**. Satan led on those who rejected the message of John to go still further, to reject Jesus and crucify him. **In doing this, they placed themselves where they could not receive the blessing on the day of Pentecost, which would have taught them the way into the heavenly Sanctuary**. The rending of the vail of the temple showed that the Jewish sacrifices and ordinances would no longer be received. The great Sacrifice had been offered, and had been accepted, and the Holy Spirit which descended on the day of Pentecost carried the minds of the disciples from the earthly Sanctuary to the heavenly, where Jesus had entered by his own blood, and shed upon his disciples the benefits of his atonement. **The Jews were left in complete deception and total darkness**. They lost all the light they might have had upon the plan of salvation, and still trusted in their useless sacrifices and offerings. They could not be benefited by the mediation of Christ in the Holy place. **The heavenly Sanctuary had taken the place of the earthly, yet they had no knowledge of the way to the heavenly.** {1SG 169.1}*

The Great Sign Crisis

- And there appeared a **great wonder in heaven**; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: And she being with child cried, travailing in birth, and pained to be delivered. (Revelation 12:1-2)

Thousands of web sites, YouTube videos, and sermons now talk about this great sign in heaven to appear on **September 23, 2017**. They mix truth with error, interpreting the sign as the rapture or the beginning of the millennium (on earth), and many other errors.

The Eyes of the World

It is the first time that the eyes of the whole human family are directed heavenward. The themes that have interested us for a long time are now discussed everywhere...

- Biblical astronomy vs. heathen astrology
- Do the stars and planets in the firmament show dates?
- What is the meaning of the Great Sign?
- Is the end near?
- Is this the sign of the rapture?

The Biblical Principle

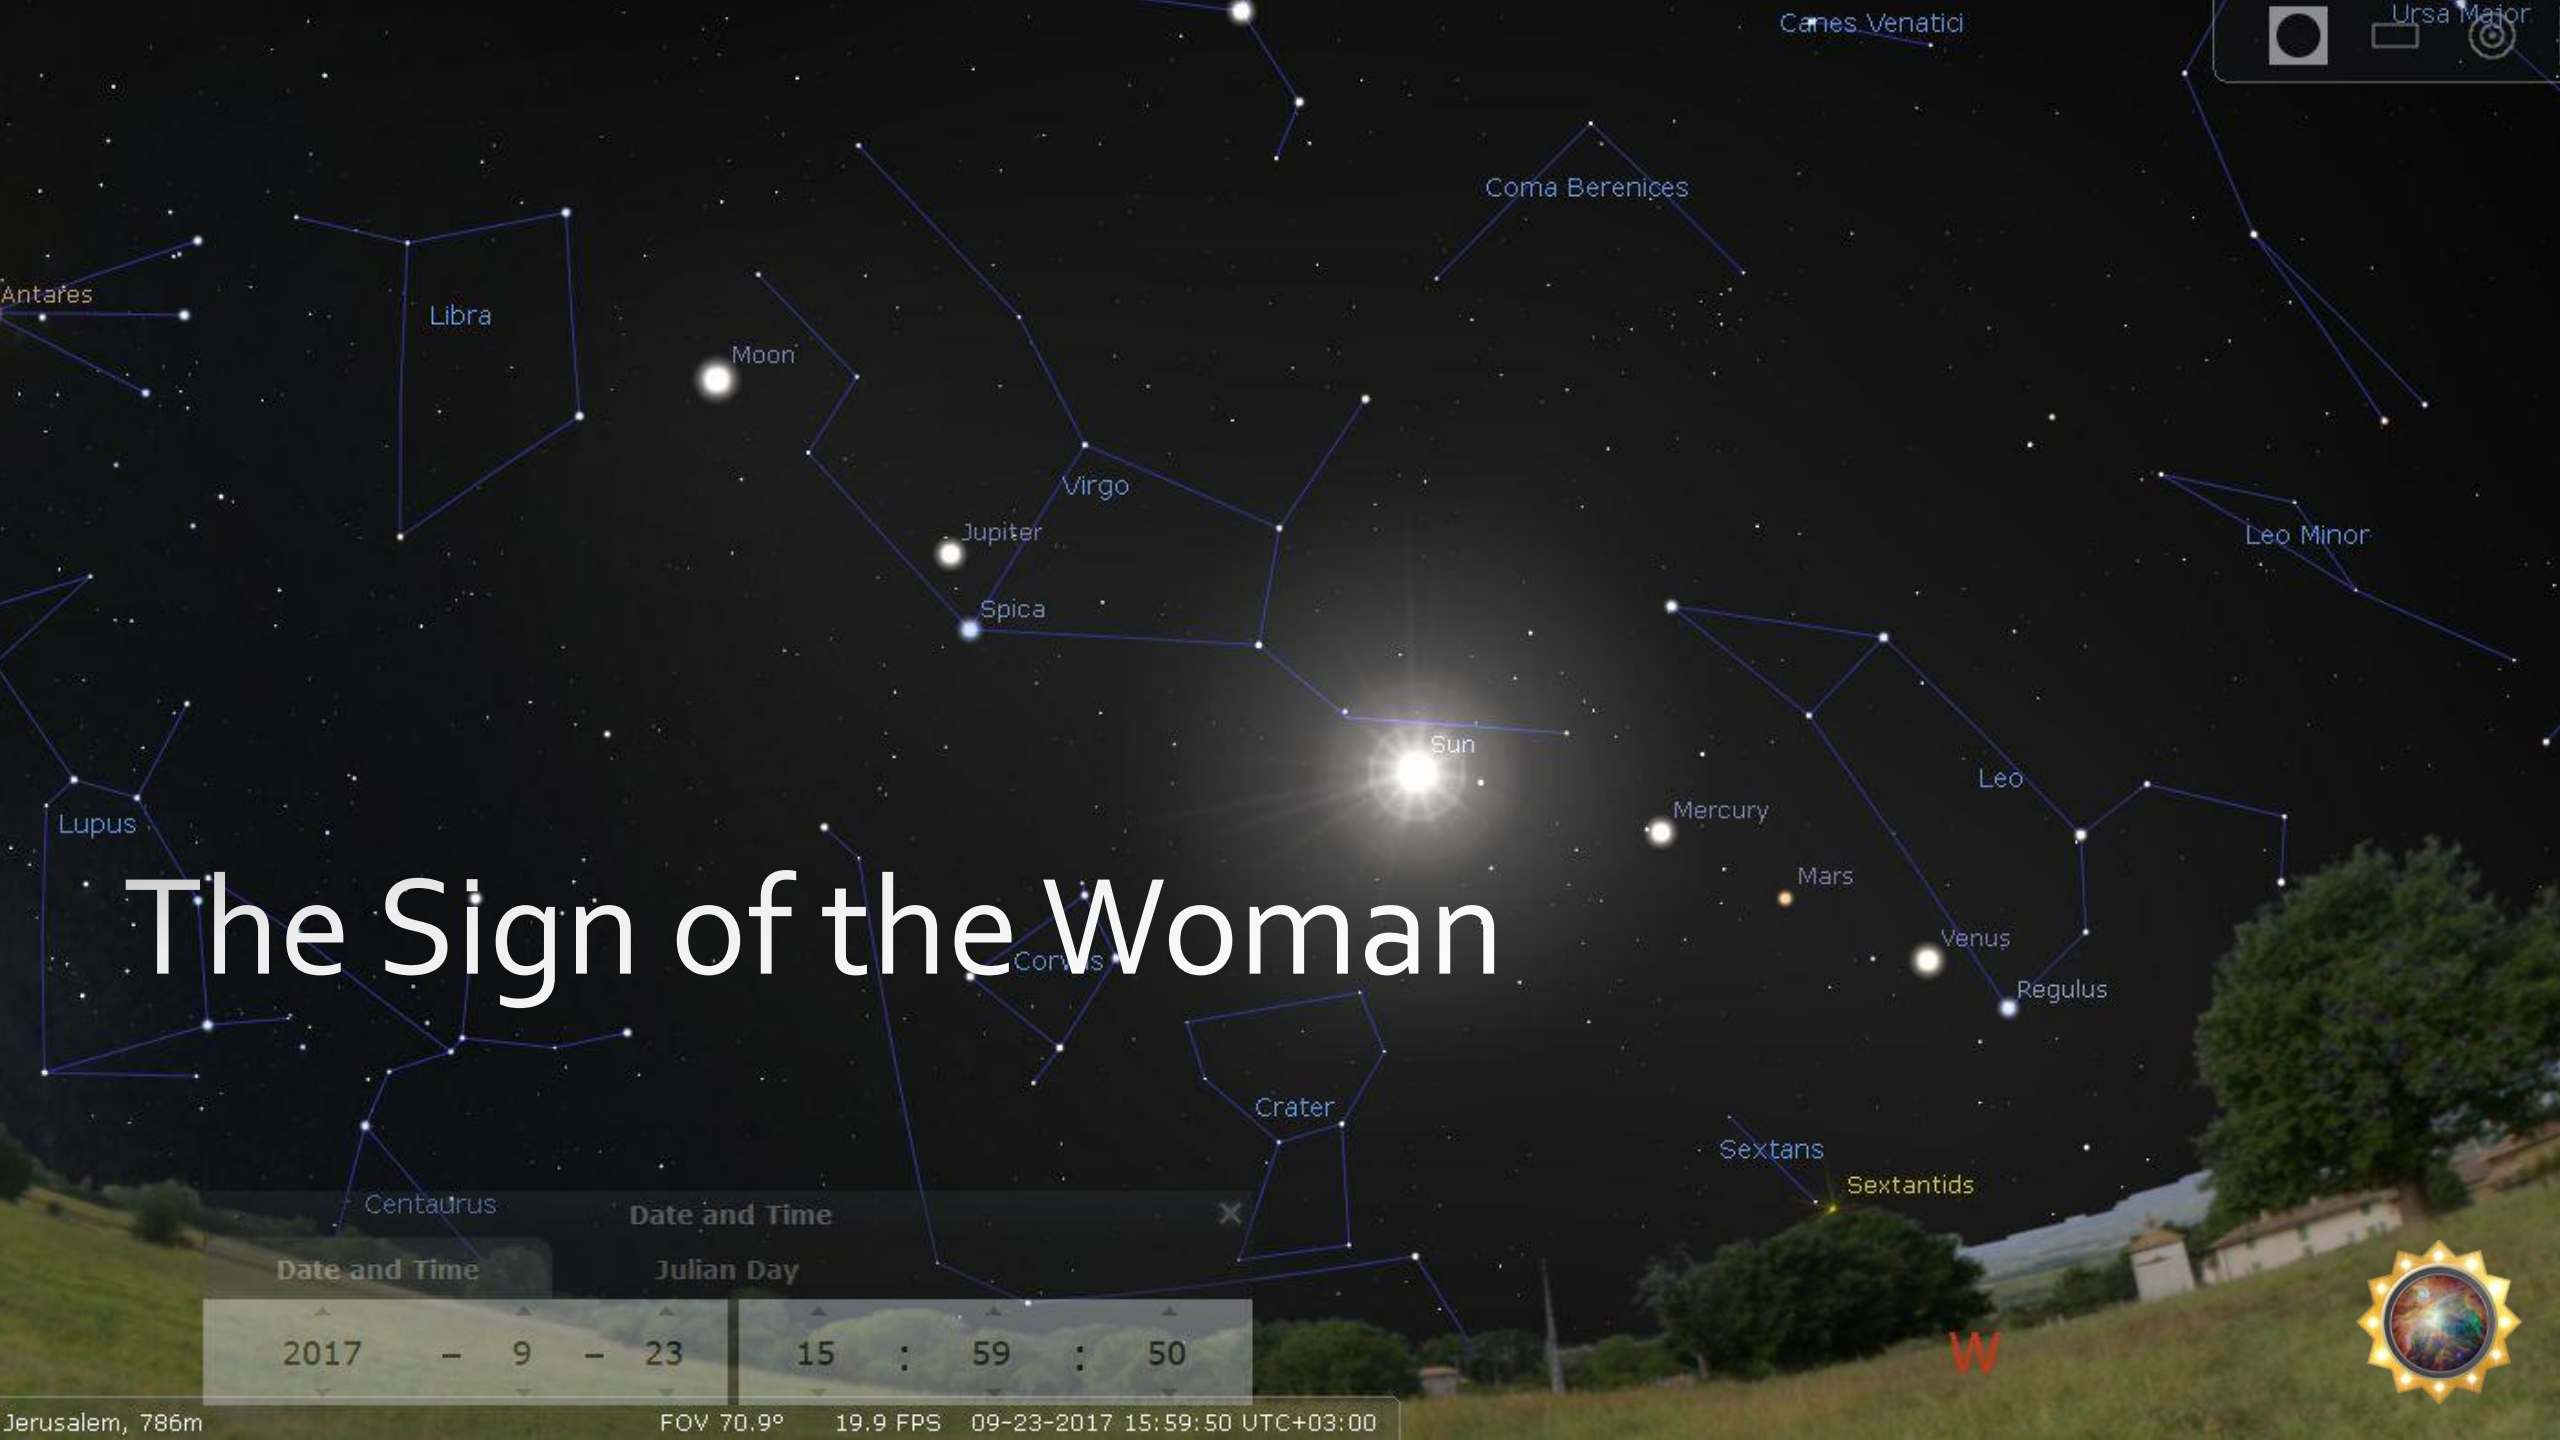

- Quench not the Spirit. Despise not prophesyings. Prove all things; **hold fast that which is good.** (1 Thessalonians 5:19-21)
- *It is the glory of God to conceal a thing: **but the honour of kings is to search out a matter.** The heaven for height, and the earth for depth, and the heart of kings is unsearchable. Take away the dross from the silver, and there shall come forth a vessel for the finer.* (Proverbs 25:2-4)

Look up!

- And there shall be **signs in the sun, and in the moon, and in the stars**; and upon the earth **distress of nations**, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, **then look up, and lift up your heads**; for your redemption draweth nigh. (Luke 21:25-28)

The Sign of the Woman

The Duration of the Great Sign

Some might think that the duration of the sign is only a certain day when the moon is under the feet of the woman, or a few days when the crown is formed, or about a month when the sun is clothing the virgin, but that is not so! The true duration of the sign is given in the next Bible verse...

- *And she being with child cried, travailing in birth, and pained to be delivered. (Revelation 12:2)*

The End of the Year of Mercy

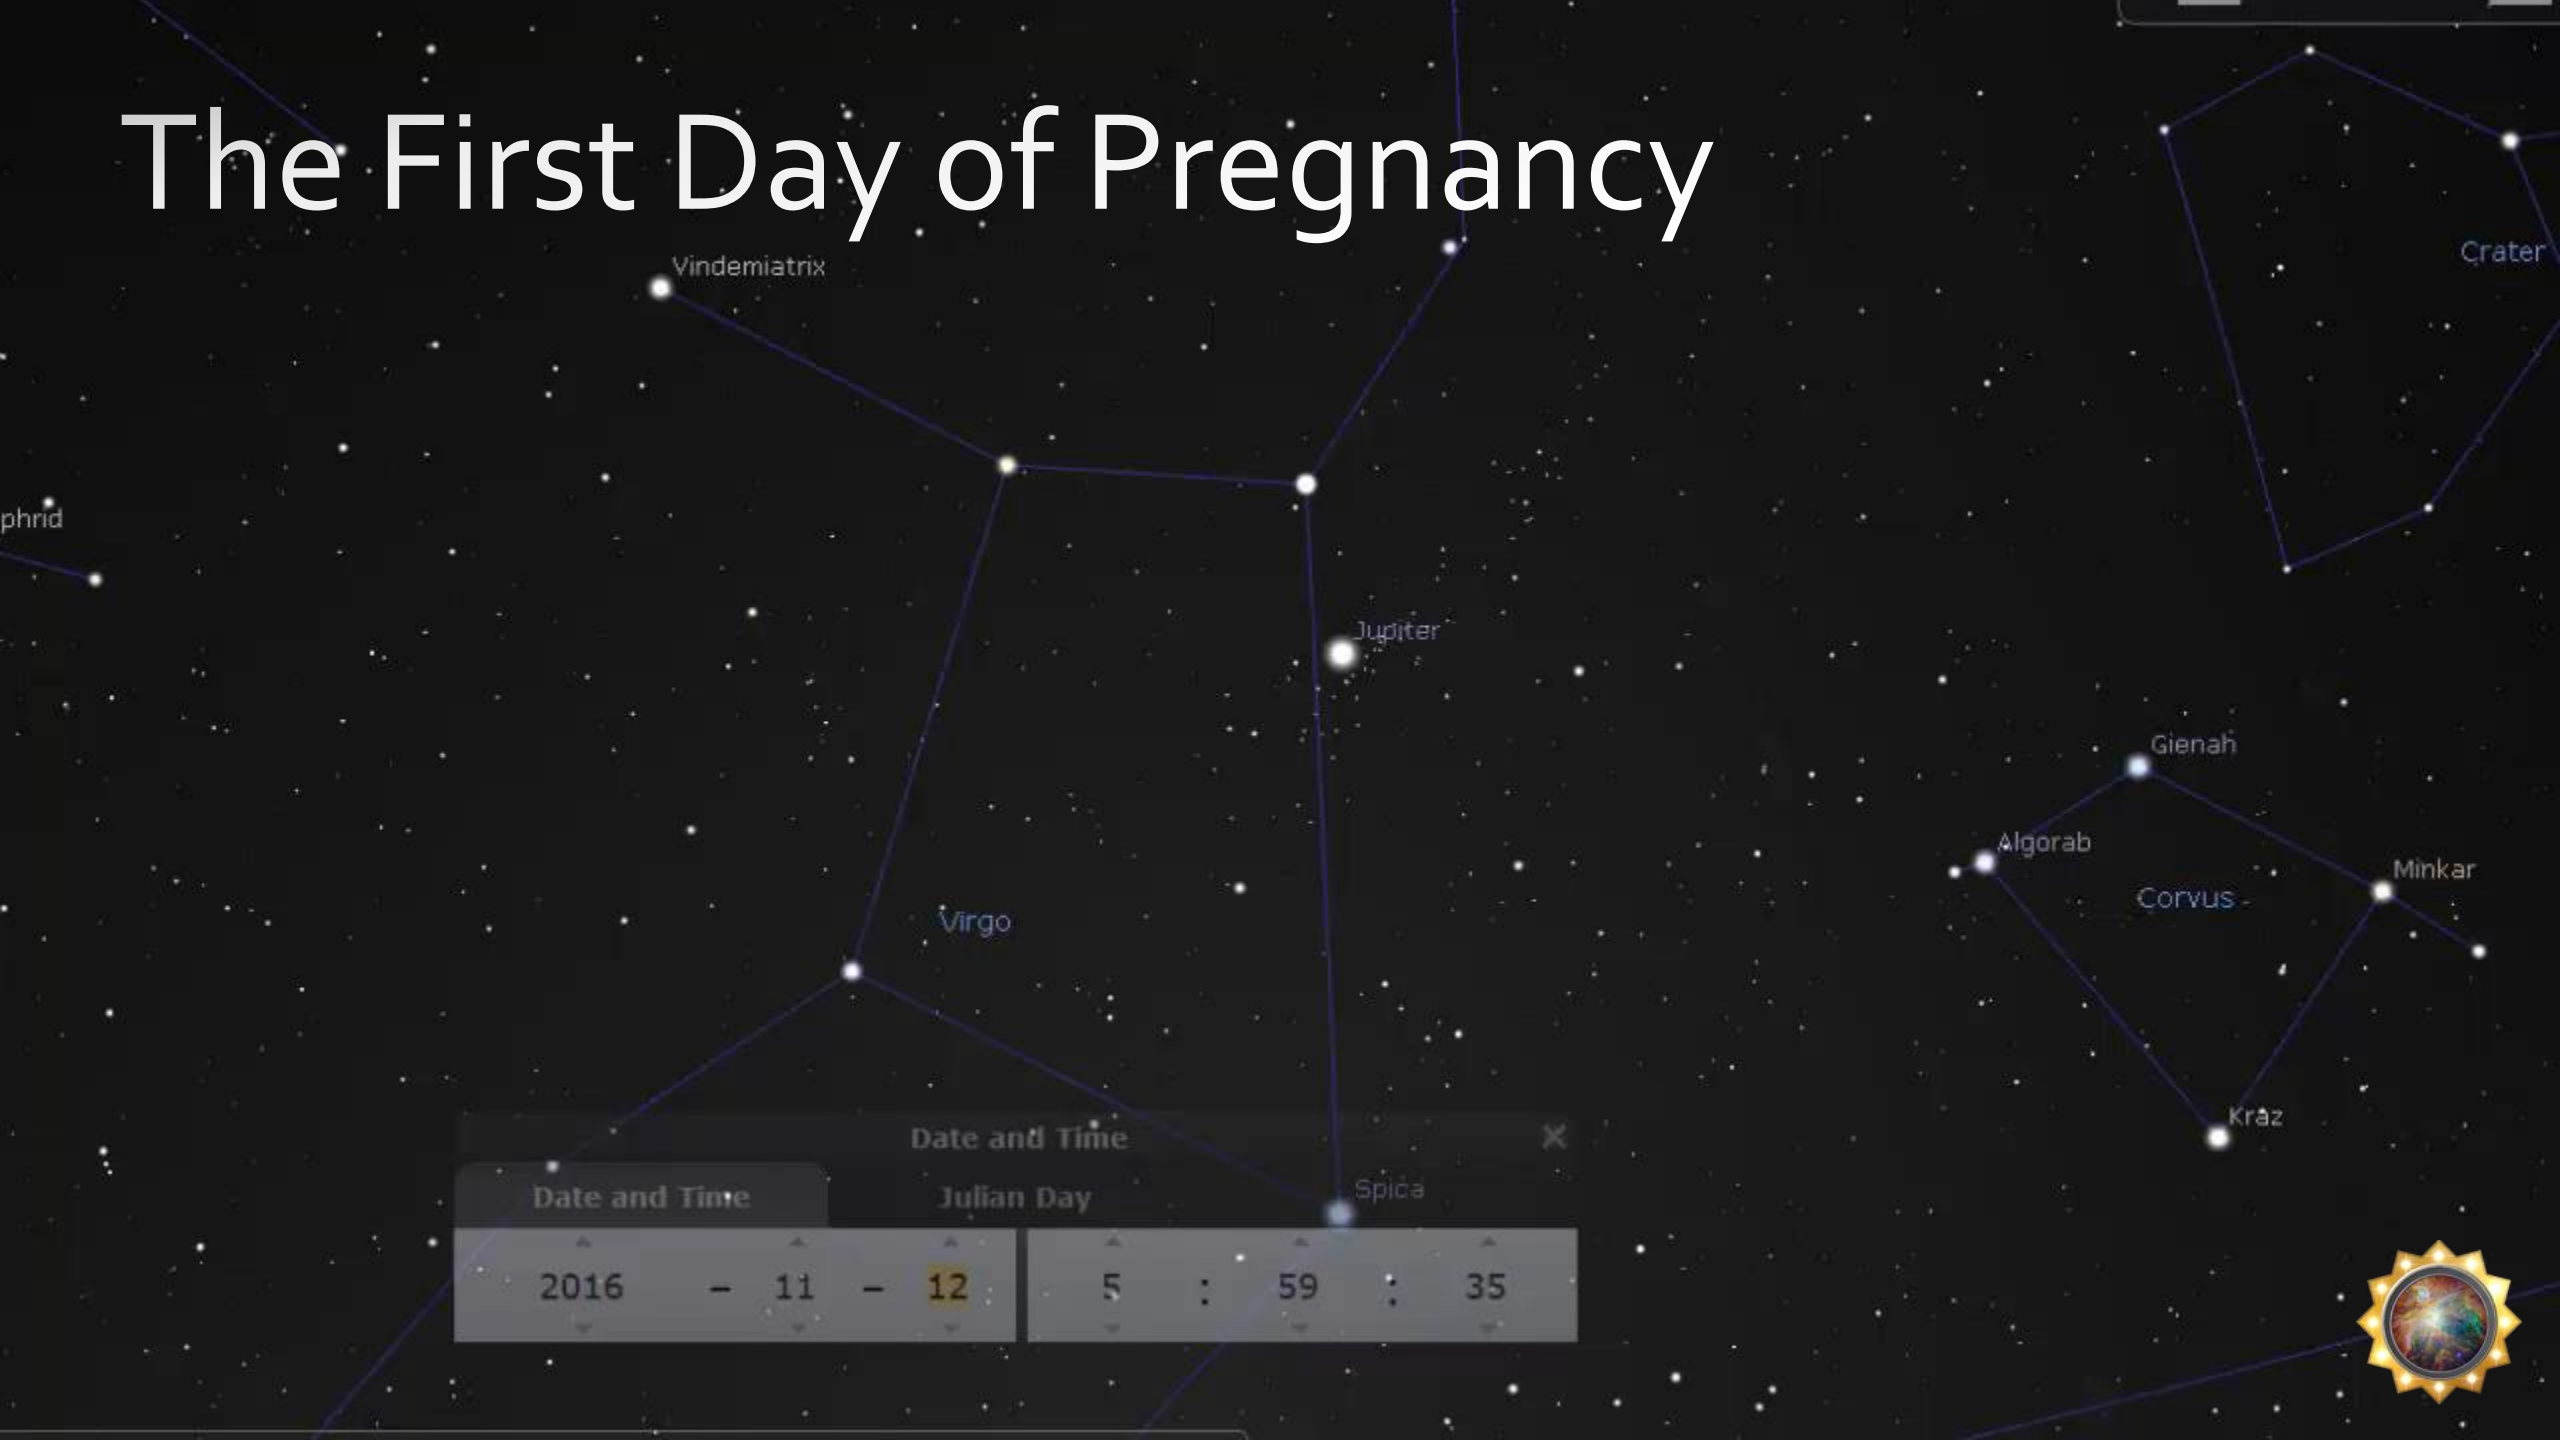

Many reports about the Great Sign include this duration. They tell us that the sign began on November 20, 2016 when Pope Francis' Year of Mercy ended.

They state that Jupiter "the King's planet", which symbolizes Christ, entered the womb of Virgo exactly that very day which gives us the duration of the Great Sign of about 9 months and 2 weeks (normal for a late term baby).

But is this true, to the very day?

The First Day of Pregnancy

Date and Time

Date and Time	Julian Day
2016 - 11 - 12	5 : 59 : 35

The True Duration of the Great Sign

- “Fertilization” happened when Pope Francis’ mercy ends
- 1st day of pregnancy: November 22, 2016
- This is **the first day of the complementary trumpet cycle** that we received in the Second Time Proclamation as described in the series [The Sacrifice of Philadelphia](#).
- The sign ends on September 23, 2017 when it has met every characteristic of its description.
- This is a day in the **fourth trumpet of Revelation**, because time runs backwards in the complementary trumpet cycle.

What will happen?

Will it be the coming of Jesus or the rapture?

Of course not!

High Sabbath Adventists (HSAs) know that the trumpets are warnings before the great and dreadful day of the Lord in which the plagues will fall.

God promised:

- Behold, I will send you Elijah the prophet **before** the coming of the great and dreadful day of the LORD: (Malachi 4:5)

When is the dreadful day?

- According to prophetic time, the great and dreadful day stands for one full year of 365 days.
- But in [The Seven Lean Years](#) we saw that the plagues will take only 9 months, exactly 280 days, to the very day.
- According to God's time clocks, described there, the plagues start with the sound of the 7th trumpet on August 20, 2018.
- The second coming of Jesus ends the plagues on May 27, 2019.
- Afterwards, there will be 7 years of starvation and death on the earth in the atomic winter (according to Ezekiel 39:9).

The Year of Recompenses

Another Bible prophecy speaks also about a day/year of terrible judgments of God on the inhabitants of the earth:

- For it is **the day** of the LORD'S vengeance, and **the year** of recompences for the controversy of Zion. (Isaiah 34:8)

We learn that God's mercy does not end when the plagues fall, but a little earlier! The plagues with 280 days are too short to fulfill all these prophecy timeframes.

We only have to look at God's clocks to know when Jesus will stop interceding in the Most Holy Place and put on His kingly garments...

NOVEMBER 22, 2016

Some More Biblical Evidence

- And the **sixth angel** sounded, and I heard a voice from the four horns of the golden altar which is before God, saying to the sixth angel which had the trumpet, **Loose the four angels which are bound in the great river Euphrates.** And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. (Revelation 9:13-15)

Yes, it is the sixth angel, on a throne line, i.e. the river Euphrates that goes out from the throne, who looses the four winds of war. And they are prepared for a certain date that is known by all HSAs.

God's Grace ends on June 3, 2018

- June 3, 2018 + 1 year = June 3, 2019.
- This is the day that we calculated to arrive after the prophesied 7 day travel in the Orion Nebula...
- Second coming on May 27, 2019 + 7 days = June 3, 2019.
- Those 7 days are the 7 years of hunger and death on Earth.
- Isaiah 66:24 will be fulfilled on the very day of the New Moon Feast in Heaven when we will again have access to the Tree of Life after 6000 years of sin...
- *And they shall go forth, and look upon the carcasses of the men that have transgressed against me: for their worm shall not die, neither shall their fire be quenched; and they shall be an abhorring unto all flesh. (Isaiah 66:24)*

How can we know that this is true?

Some might ask, “How can we know that the complementary trumpet cycle is true?”

The original and complementary trumpet cycles together fulfill the prophecy in Revelation 7 that there would someday be a delay in God’s plan...

The Delay

- And after these things I saw **four angels standing on the four corners of the earth**, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree. And I saw **another angel ascending from the east**, having the **seal** of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea, Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.
(Revelation 7:1-3)

The Sacrifice

The “other angel descending from the east” (from Orion), is none other than Jesus Christ who was about to come on October 23, 2016 to end human history by order of the Father.

But Jesus found what He was looking for... Faith, like His own faith. A faith ready to sacrifice even one's own eternal life and to “hold the winds a little longer until all of the 144,000 would be sealed.”

Those were promised to receive a blessing, and this blessing is unfolding to those who listen to the teachers of Daniel 12:3.

The Great Sign is NOT the end of grace!

Now we have clearly shown that the Great Sign on September 23, 2017 happens long before grace ends (June 3, 2018) or the coming of the Lord Jesus (May 27, 2019).

What does the sign then point to?

To just what the Bible text tells us:

- *And the dragon was wroth with the woman, and went to make war with the **remnant of her seed**, which keep the commandments of God, and have the testimony of Jesus Christ. (Revelation 12:17)*

Persecution of the Remnant

- The Great Sign points to Satan (the dragon) who tries to destroy the remnant.
- The remnant are those who keep the commandments.
- Hence, it is a hint to the Sabbath commandment that, according to Ellen G. White, will bring the persecution over us.
- So, when do you expect this persecution and the National Sunday Law to begin in the United States?
- Yes, when the sign is given or just a very little later.

The Great Sign in the 4th Trumpet

The Great Sign of the woman clothed with **the sun**, with **the moon** under her feet and the crown of **12 stars** on her head is, according to our complementary trumpet cycle, given in the timeframe of the 4th trumpet.

Does the Bible text of the 4th trumpet have anything to do with the sign of the woman?

- And the fourth angel sounded, and the third part of **the sun** was smitten, and the third part of **the moon**, and the third part of **the stars**; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise. (Revelation 8:12)

A third part of sun and moon and stars

- A third part means: not all.
- The moon stands for the Jews. Those of them who hold fast to the Sabbath will suffer persecution like us.
- The sun stands for the woman, the Christian church. The part that comes out of Babylon without taking the mark of the beast (Sunday worship) will suffer persecution with us.
- The stars... are us.
- For a complete explanation, read [The End of the SDA Church](#).

Who is NOT persecuted?

- If we read attentively, we find something disturbing... the woman's crown itself is not mentioned, only the stars.
- We explained in [The End of the SDA Church](#) that the crown of the Christian era was the SDA Church that emerged from the Great Disappointment in 1844 and was the messenger of the third angel's message of Revelation 14. But they did not fulfill their task of warning, so others had to finish the work: the stars with the Orion Message.
- The SDA Church yields completely to the UN human rights and the New World Order, therefore what the Bible text of the 4th trumpet already declared is a logical conclusion... "the apostate SDA Church and its members will not be persecuted." They no longer have the testimony of Jesus Christ. **Not even part of them do!**

Come out of her!

- The sign is given for those who still have enough faithfulness to God and love for the truth to leave their apostate church organizations.
- **The Great Sign is given on a Sabbath (September 23, 2017)! It is even possible for the sign to turn out on a High Sabbath if the first crescent is detected only one day later! In any case it will be the first Sabbath in the Jewish New Year.**
- With this in mind, we understand better what Ellen G. White meant when she spoke about the little time of trouble, the latter rain, and the loud cry:
- *I saw that God had children who do not see and keep the Sabbath. They have not rejected the light upon it. And at the commencement of the time of trouble, we were filled with the Holy Ghost as we went forth and proclaimed the Sabbath more fully. This enraged the churches and nominal Adventists, as they could not refute the Sabbath truth. And at this time God's chosen all saw clearly that we had the truth, and they came out and endured the persecution with us. I saw the sword, famine, pestilence, and great confusion in the land. The wicked thought that we had brought the judgments upon them, and they rose up and took counsel to rid the earth of us, thinking that then the evil would be stayed. {EW 33.2}*

Do you need more evidence?

- *God never asks us to believe, without giving **sufficient evidence** upon which to base our faith. His existence, His character, the truthfulness of His word, are all established by testimony that appeals to our reason; and this testimony is abundant. Yet God has never removed the possibility of doubt. **Our faith must rest upon evidence, not demonstration. Those who wish to doubt will have opportunity; while those who really desire to know the truth will find plenty of evidence on which to rest their faith.** {CSA 46.1}*

Much Light to be Revisited

In the last 7 years, we received loads of light from God that was difficult to transmit to the public. About 2,100 book pages have been written, some sermons and many materials had to be prepared.

All of it had to be translated into 3 different languages in the hope that the trigger for the latter rain would be pulled.

In our writings, there are still many gems that lie hidden in oblivion because those gems seemed to be worthless in the face of the sacrifice that postponed the second coming.

Not so in the Word of God. And our writings have a special place, because we write about the Book of Seven Seals and the Book of Seven Thunders.

Be like Samuel and Ellen White!

Good stewards of the house of God have to learn their lessons from the old prophet schools. Those were established by Samuel. God says about Samuel:

- *And Samuel grew, and the LORD was with him, and did let none of his words fall to the ground. (1 Samuel 3:19)*

Ellen White put it like this:

- *Our past experience has not lost one jot of its force. I thank the Lord for every jot and tittle of the Sacred Word. I would not draw back from the hard parts of our experience. {RY 24.2}*

The devil knows it!

- Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath **but a short time.** (Revelation 12:12)

This text is in the historical part of the Great Sign. Hence, it is directly connected to the complementary trumpet cycle, and warns us that we also have to know that the “woes” are upon us with this sign.

The Earth is Ripe

On the other hand, we know that we also have just a little time to find the rest of the remnant and the great multitude that Jesus wants to harvest.

We know that the earth must be ripe soon, because God put a very important sequence of events after the three angel's messages in Revelation 14, which has to be fulfilled in the last cycle in which there is still grace.

We tried to apply these verses already, to the "plagues with grace cycle" when we saw things fulfilling, but only in very symbolic form.

The Good Grain

We wrote the articles [The Time of the Harvest](#) and [It is the Lord!](#) knowing that this sequence is informing us about two important stages of the last harvest of the Earth

1. the wheat harvest
2. the vintage

One would rather belong to the good grain, and not to the grapes of the vintage that will be trodden by the feet of the destroying angels in the seven years of atomic winter after the rapture!

End of Probation

The good grain will be fully brought into the barn by June 3, 2018, as we have learned before.

To be harvested means to receive the seal of the living God!

The seal is offered by the angel in the east (Jesus in Orion) until the number is full and the censer is thrown unto the earth, which means that the High Priest, Jesus, ends His intercessory service in heaven.

To receive the seal of the 144,000, you must have the name of sacrifice written on your forehead.

Trumpets with a Certain Sound

This scene is brought to us in the imagery of Revelation 8.

The apostle John sees trumpets in the firmament (the Orion trumpet cycles). He sees that trumpets PREPARE to sound, and AFTERWARDS he sees the sounding of the trumpets with accompanying events.

Today we understand that the mention of the preparing of the trumpets was our original trumpet cycle when we saw preparations but no real certain sound of the trumpets. NOW we hear the trumpets loudly and clearly. Nothing from the Word of God shall fall to the ground!

We already wrote about the fulfillments of the first and second complementary trumpets in [Prophecies Fulfilled](#).

The Harvest Message of Rev. 14

The Harvest Message of Revelation 14 comes AFTER the three angels' messages in the same chapter. It belongs, therefore, to the Fourth Angel's message of Revelation 18 and is accompanied by the loud cry to leave Babylon.

1. It must be given in a time of grace, because it speaks about the ingathering of the good grain.
2. It must end with the destruction of the unfaithful in the plagues, because it speaks about the vintage of the bad grapes.

Here we see that this message must be applied to the complementary trumpet cycle, and it must also end with it.

The Missing Link

We have understood for a long time that there are 7 verses that can be directly applied to the corresponding 7 angels of the 7 trumpets.

In this way, the 7 trumpets give us dates for the harvest texts, or on the other hand, the harvest texts confirm the order of the trumpets.

Nevertheless, if we would write each trumpet text beside its corresponding harvest text, we would see no textual evidence (except for the number) that the texts belong together.

This missing link (or links) made it possible for us to apply the 7 harvest texts to the 7 plagues, which was a long shot. That was done in a time when we had no idea that God would one day prolong the time and give us a "second" trumpet cycle to apply the texts to.

If...

If we could find that missing link, we would definitely know

1. That the trumpets are truly the harvest time
2. When the grain harvest will begin
3. When the gathering for the vintage will begin
4. When fire will come down from heaven to begin the vintage of the wicked (at the house of God)
5. That each trumpet judgment of God against the apostates is accompanied by His grace and helps to fill the barn.

The Key

The key to unlock the secret of the missing link between the trumpet texts of Revelation 8/9/11 and the harvest texts of Revelation 14, is **the sickle** that is mentioned in total 7 times in the harvest texts. 7 is the number of completion or perfection. It is the number of accomplishment. The number of the saved and the number of the wicked will be completed after the cycle of the sickles.

Those who refuse to understand that God set the luminaries in the firmament for signs, will never receive the key to unlock the secret of Revelation 14 and its harvest texts.... because **the sickle** is...

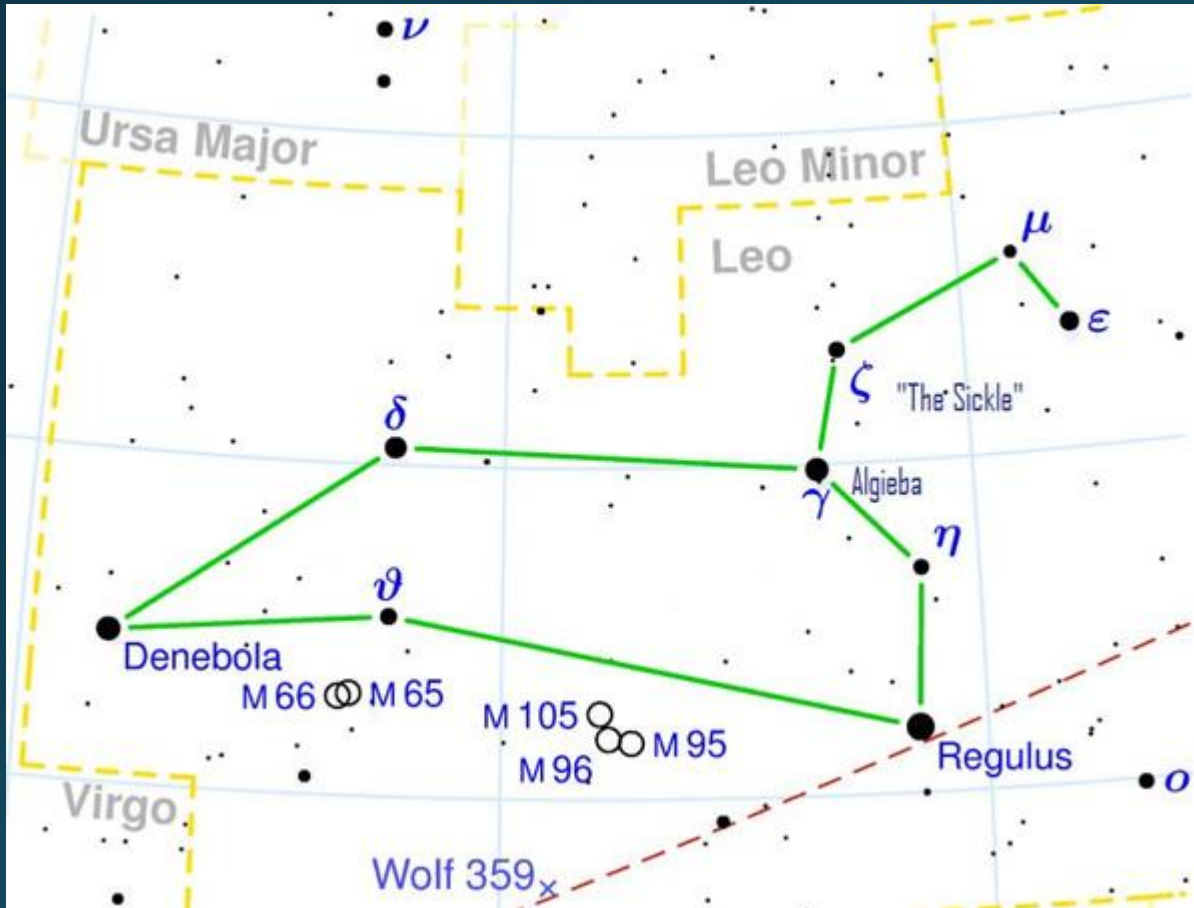

A Star Pattern in Leo

- **How to see the constellation Leo.** From a Northern Hemisphere perspective, the Lion is a fair-weather friend, springing into the early evening sky around the March 20 equinox. Late March, April and May are superb months for identifying Leo the Lion, as this constellation becomes visible as soon as darkness falls and stays out until the wee hours of the morning. Remember, you are looking for a backwards question mark pattern. This pattern is ***the Sickle***; its curve outlines the Lion's mane. Leo's brightest star, Regulus, is a sparkling blue-white beauty of a star. It's located at the bottom of the backwards question mark pattern and depicts *the Lion's heart*. [Earthsky.org]

The Sickle

- Of the 13 constellations of the Zodiac [Mazzaroth], Leo the Lion ranks as one of the easiest to identify in the night sky. Most people find Leo by looking first for a distinctive pattern on the sky's dome: the pattern of a *backwards question mark*. That star pattern – or *asterism* – is called *the Sickle in Leo*. Leo's brightest star, Regulus, marks the bottom of the backwards question mark pattern. [ibid]

Applying the Harvest Texts

5 - And another angel came out of the temple which is in heaven, he also having a sharp sickle. (Revelation 14:17)

6 - And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. (Revelation 14:18)

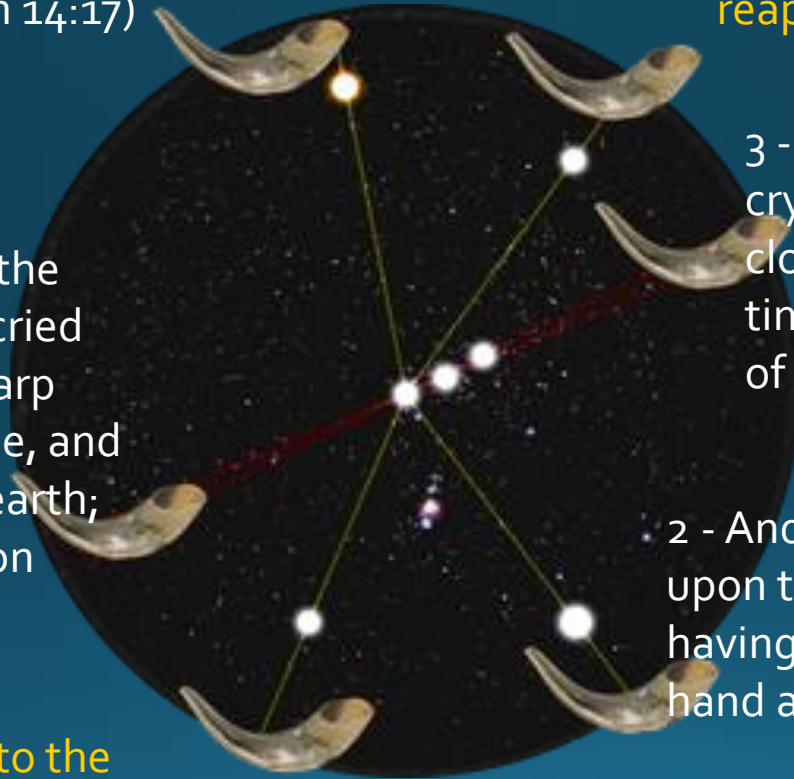

7 - And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God (Revelation 14:19)

4 - And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped. (Revelation 14:16)

3 - And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. (Revelation 14:15)

2 - And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. (Revelation 14:14)

1 - And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them. (Revelation 14:13)

Adding Some Trumpet Dates

5 - And another angel came out of the temple which is in heaven, he also having a sharp sickle. (Revelation 14:17)

6 - And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. (Revelation 14:18)

August 20, 2018

7 - And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God (Revelation 14:19)

September 14, 2017

4 - And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped. (Revelation 14:16)

3 - And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. (Revelation 14:15)

2 - And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. (Revelation 14:14)

1 - And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them. (Revelation 14:13)

The Sickle Activated by the Sun

- Leo the Lion has long been associated with the sun. The sun passes in front of the constellation Leo the Lion from about **August 10 to September 16 each year.** [ibid]

When the “sun of righteousness” is in Leo, which stands also as one of the holy beings surrounding God’s throne in Revelation 4 and is a symbol for the Son of God, Jesus, the sickle is “thrust into the earth,” meaning the combination of sun and sickle is visible from the earth.

Both trumpet dates with the applied harvest text, where it mentions that the sickle is thrust into the earth, fall into the exact timeframe given by astronomers for when the sun is in Leo. Let’s look up both dates...

Now we begin to understand...

...why the 4th trumpet date does not directly coincide with the Great Sign, though its text is a clear hint and reflection of the Great Sign with 3 of 4 characteristics.

The reason is that the trumpets must perfectly harmonize with the harvest texts of Revelation 14!

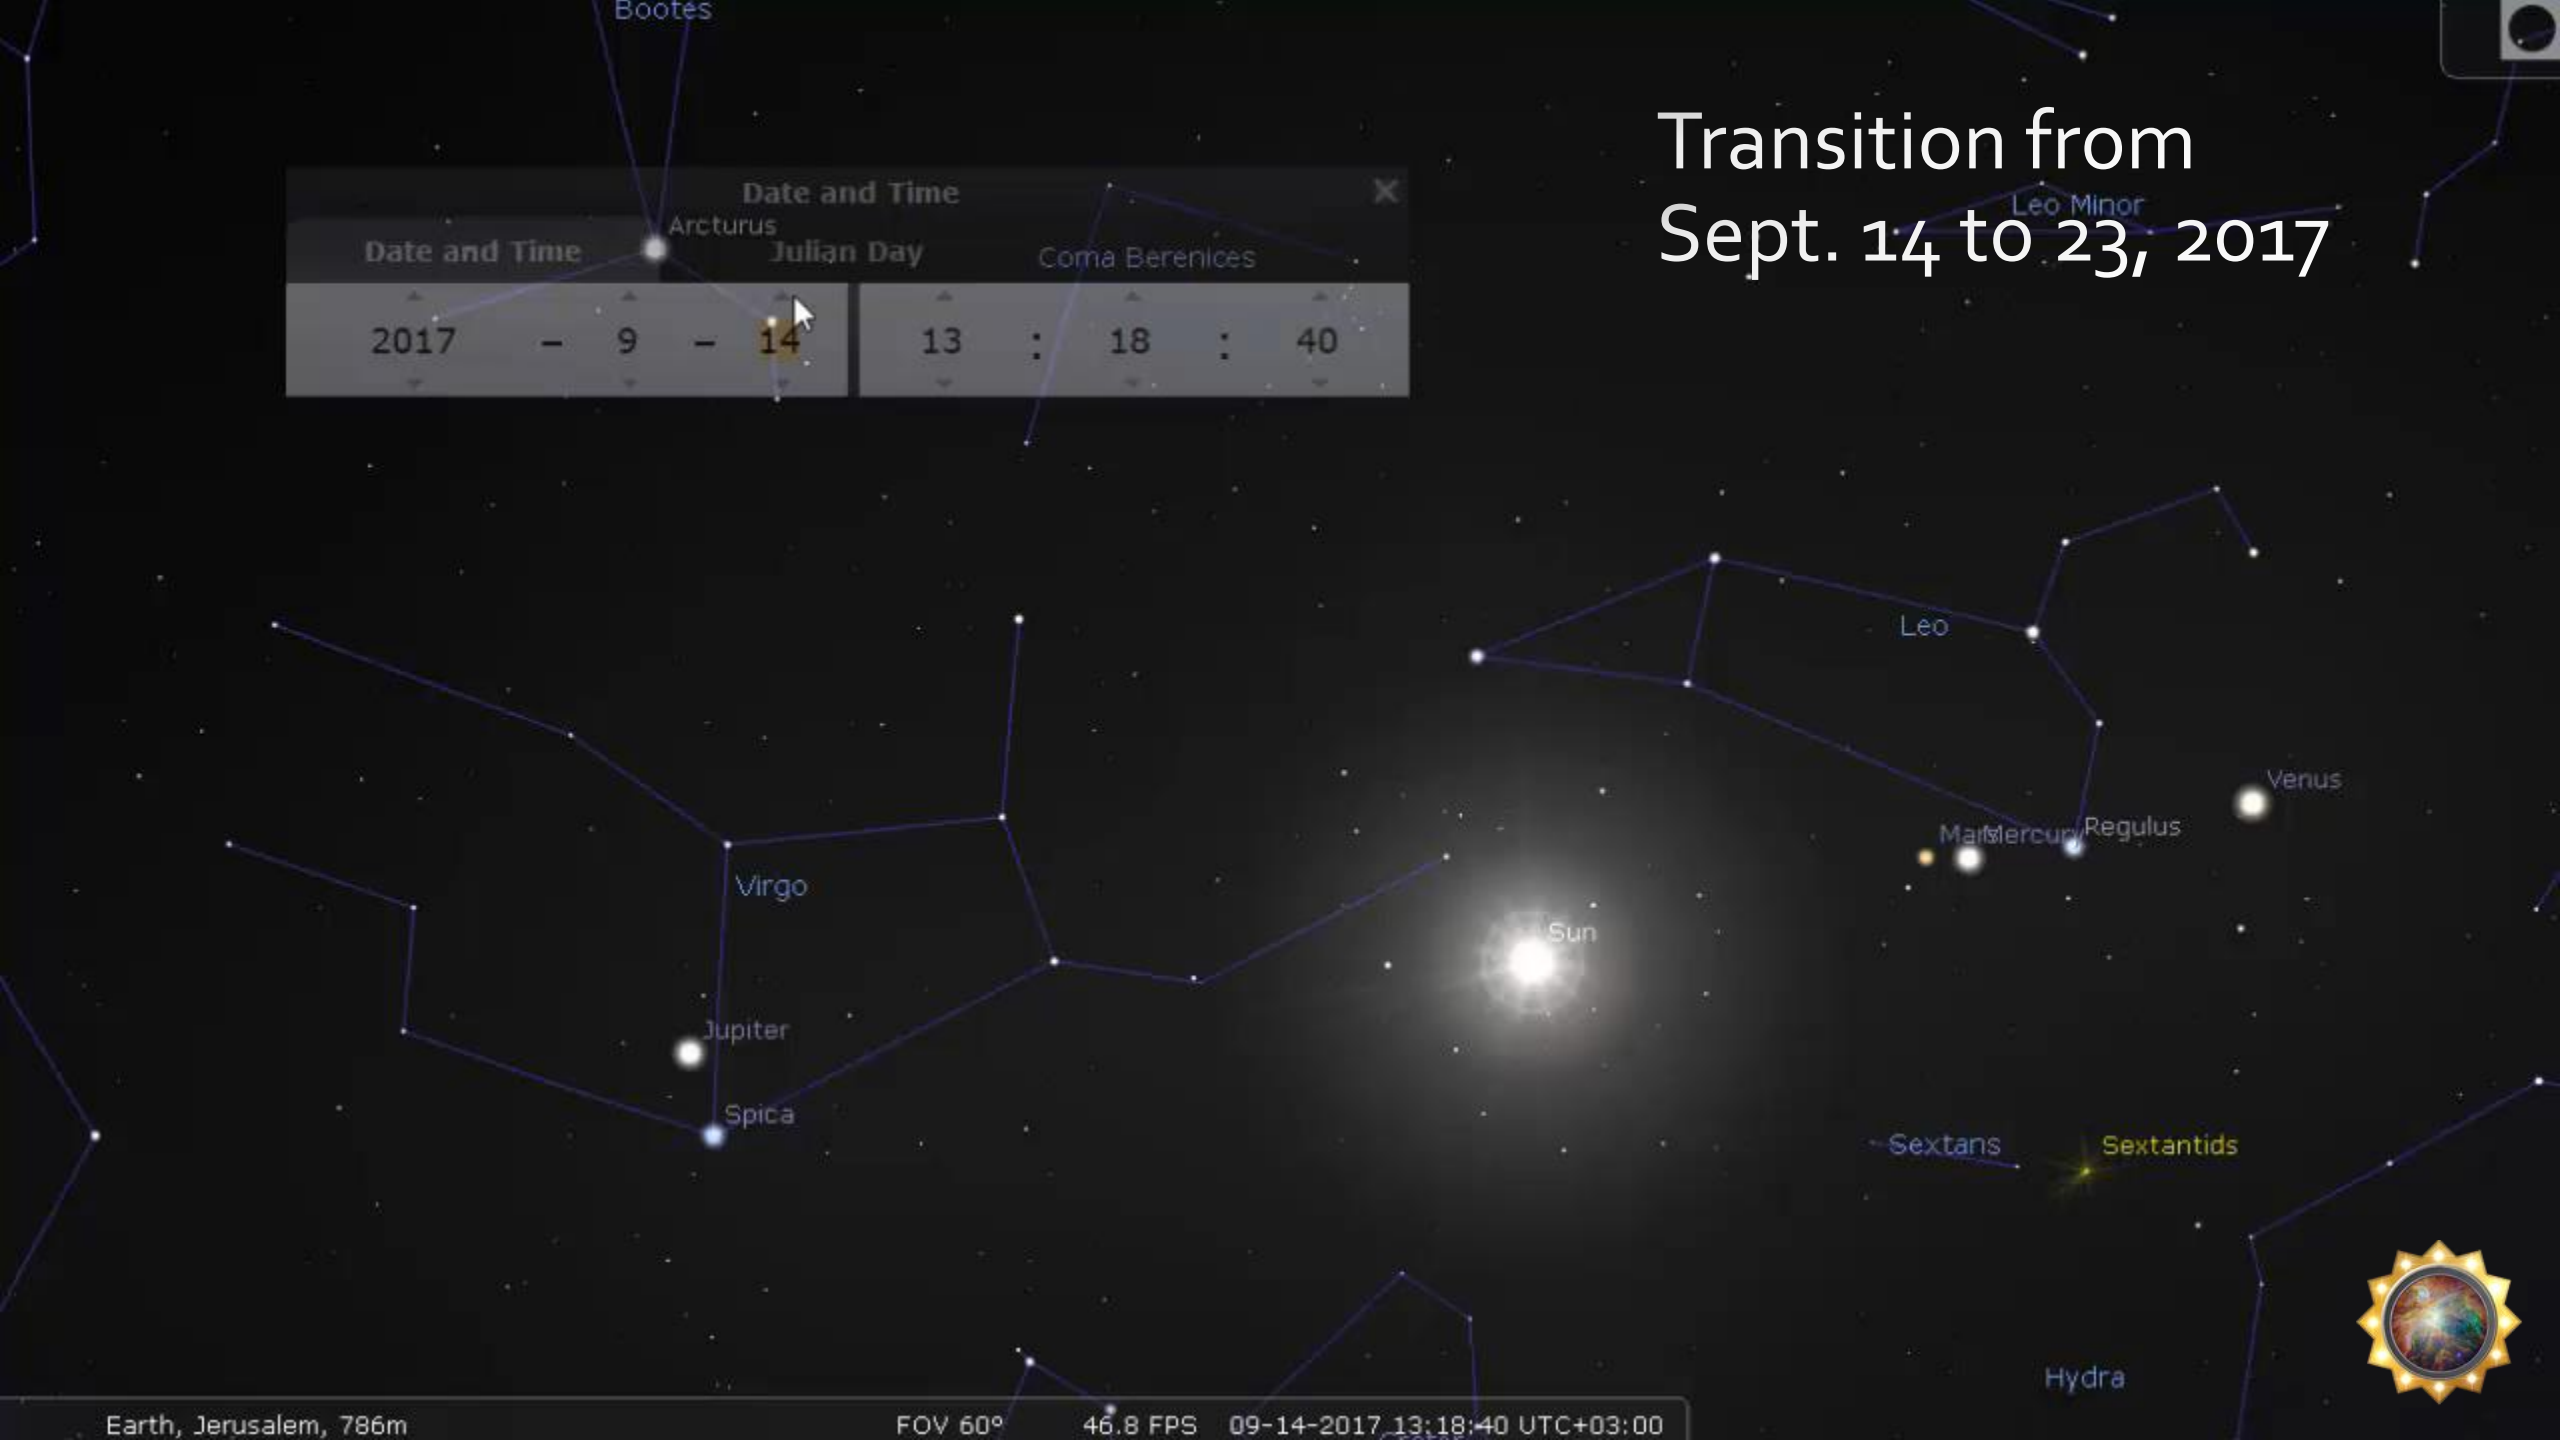

We should now begin to understand that God is obviously pointing with some texts to signs on the firmament that are part of His appointed times in the Orion cycles, His Great Clock, and which confirm the very dates found there with the Bible texts. We should be anxious to know more now.

But first let's take a look at the transition from the beginning of the 4th trumpet to the culmination of the Great Sign, which forms only 9 days later...

Transition from Sept. 14 to 23, 2017

Date and Time						
Date and Time			Julian Day			
2017	-	9	-	14	13	: 18 : 40

Conclusion from what we learned so far

- In the 4th trumpet we can expect that the mark of the beast, Sunday worship, is implemented and persecution of the commandment keepers begins.
- In the same timeframe, the harvest of the good grain begins and the rest of the 144,000 will finally be gathered in.
- They are readying for their part, to gather in the harvest of the great multitude in the fifth trumpet.
- The symbolic texts of Revelation obviously have real counterparts on the firmament following the exact order of the trumpet cycle, thus confirming our former findings in an unprecedented way.
- **So, they must be the promised signs in heaven in the time of the latter rain.** (Soon we will find more evidence!)

The Four “Beasts”

Before we investigate the other trumpets to see if there is more biblical evidence through symbols pointing at the right time to their literal counterpart on the firmament, we have to understand the four throne signs that are mentioned in Ezekiel 1 and Revelation 4: the lion, the calf, the man, and the eagle.

While in Revelation they are only described as having one face, Ezekiel adds that if they turn, each one of them has indeed all four faces.

They have been identified by many scholars and also by us as character traits of Jesus Christ. We added the knowledge that they are both the hand and the foot stars of the Orion constellation.

But now we will even find new things.

The Counterparts of the Four Beasts

It is easy to find the counterparts to the lion, the calf, and the man in the Mazzaroth, through which the sun moves each year following the ecliptic...

Lion = Leo

Calf = Taurus

Man = Aquarius

But what about the eagle? There is a star sign called the Eagle (Aquila), but it is not among the signs that can be activated by the sun and point to a certain time of the year.

The Counterpart of the Eagle

Wikipedia explains the tetramorph:

- The prophet Ezekiel was among the Jews who were exiled to Babylon in the 6th century BC. The creatures in his vision, from which the images of the tetramorph are derived, are reminiscent of ancient Assyrian art.
- The animals associated with the Christian tetramorph originate in the Babylonian symbols of the four fixed signs of the zodiac: the ox representing Taurus; the lion representing Leo; **the eagle representing Scorpio**; the man or angel representing Aquarius.

God on His Throne

In Revelation 4, the 4 living creatures are positioned around the throne of God. Indeed, it is a symbol of God reigning in all 4 cardinal directions of the universe, north, south, east, and west.

Each cardinal direction of the Mazzaroth has its own constellation.

East = Taurus (calf)

South = Leo

West = Scorpio (with the flying eagle over it)

North = Man (Aquarius)

The Story Behind Them

- Lion = King of the Earth, the Lion of the Tribe of Judah, Jesus
- Calf = Jesus, the Sacrifice on the cross
- Man = Jesus, became man and sacrificed His omnipresence
- Eagle = King of Heaven, He will come down from Heaven again in the Second Coming.

Now we are ready to investigate the firmament at the beginning of the 5th trumpet...

5th Trumpet on December 5, 2017

5th Trumpet: The Sun in Scorpio

Does the text of the 5th trumpet hint to this heavenly situation?

- And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as the **scorpions** of the earth have power. And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads. And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a **scorpion**, when he striketh a man. And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them. And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men. And they had hair as the hair of women, and their teeth were as the teeth of lions. And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle. And they had tails like unto **scorpions**, and there were stings in their tails: and their power was to hurt men five months. And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon. One woe is past; and, behold, there come two woes more hereafter. (Revelation 9:1-12)

Double-Check

Is there any other occurrence of the word “Scorpion” in the Book of Revelation?

Do the search... **No, there is no other occurrence!**

The very difficult text of Revelation 8 starts to be more understandable... The scorpions there hint to the beginning time of the 5th trumpet with the sun in Scorpio.

As we stated earlier, the time for the torment by the scorpions is given as 5 months. The 5th trumpet is the only trumpet that is a little longer than 5 months. In no other trumpet would this timeframe fit.

Abaddon - Apollyon

- *And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon. (Revelation 9:11)*

Abaddon or Apollyon means “the destroyer.”

As we have seen, the constellation Scorpio itself is not directly named as one of the living creatures around the throne. The true “king” symbol is the eagle, or **angel!** Both, Jesus Christ (Exodus 12:23) and also Satan (Psalms 17:14), are named in the Bible as the destroyer.

Revelation 9:11 completes the hint of the 5th trumpet text, at the time shown by God’s timekeepers on the firmament when its final fulfillment begins.

Like Horses

- And the shapes of the locusts were **like unto horses** prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men. (Revelation 9:7)

Ophiuchus rides the scorpion and holds a weapon in his hand...
“prepared for battle.” Ophiuchus means “carrier of the snake.”

Ezekiel's Faces

In the text of the 5th trumpet, we find hints to 3 living creatures (lion, man, scorpion/eagle) but only one face is prominent... the eagle (Scorpio) three times mentioned.

In the Orion interpretation of its 4 outer stars, the 5th trumpet happens at the right-hand star of Jesus. In the order of the throne-room vision, we should find here the face of the calf, but none of the symbols hints to a calf or sacrifice.

Remember for the coming slides that Ezekiel saw that when the wheels of the clockwork turn, the stars (cherubim) are seen to each have all 4 different faces. They do not change personality, meaning they stay as the right/left hand/foot of Jesus, but they show us different stages at a certain moment.

The Altar

Progressing to the 6th trumpet with its beginning on June 3-10, 2018, we find in both descriptions—in Revelation 14:18 and in Revelation 9:13—the mention of the “altar.” In the latter, we are reminded of the “four horns” of the altar, hinting to an animal with horns.

- And another angel came out from **the altar**, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. (Revelation 14:18)
- And the sixth angel sounded, and I heard a voice from the **four horns of the golden altar** which is before God, (Revelation 9:13)

The Ox

The Mazzaroth has 3 clean animals but only one is an animal that is also approved as a sacrificial animal in the ceremonial rules: the bull. It's star sign counterpart is Taurus.

The calf is also the only clean and sacrificial "animal" in the 4 main signs around the throne of God.

Guess where the sun is located right at the beginning of the 6th trumpet in the complementary cycle!?

Sun in Taurus on June 3-10, 2018

Date and Time		Date and Time		Julian Day		
2018	- 6 - 3	17	:	15	:	30

The Right Hand of Jesus

The calf (Taurus) is the throne sign of the right hand of Jesus in the Orion constellation. Many times we explained in our articles that this hand/arm makes a down-to-up movement which is a result of the special position that the throne lines have in the constellation. Now, in the complementary trumpet cycle, the down-to-up movement becomes an up-to-down movement because of the reversed time in the cycle.

The End of Grace

With Taurus in the down position of Jesus' hand at the 6th trumpet, we can conclude that probation will have closed by then. Of course, the Bible text also points to that...

- *Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates. And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. (Revelation 9:14-15)*

The restriction of the 5th trumpet, not to hurt but to only torment, is lifted.

Throwing Down the Censer

The downward movement of the hand of Jesus brings to mind the text of Revelation 7 that is directly connected with (both) trumpet cycles (the quiet preparatory one and the loud-sounding one). Therefore, in the last (sounding) cycle this scene must happen:

- And I saw the seven angels which stood before God; and to them were given **seven trumpets**. And another angel came and stood at **the altar**, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne. And the smoke of the incense, which came with the prayers of the saints, ascended up before God **out of the angel's hand**. And the angel took the censer, **and filled it with fire of the altar, and cast it into the earth**: and there were voices, and thunderings, and lightnings, and an earthquake. (Revelation 8:2-5)

A Question...

Can you imagine that something as important as the End of Probation is also depicted in the firmament exactly at the right time? Is it possible that we can even learn from that imagery that time is now indeed reversed?

Watch the next video carefully and look at Orion's (Jesus') right arm and hand, which casts a fiery planet (Mercury) down to the earth, passing the altar burning with the fire of our sun, thus "filling the censer with fire." It is all perfectly visible when time is reversed.

The midpoint of that scene, when the "censer" is half thrown down to the earth, happens exactly on June 3, 2018. We start watching on June 10, 2018, the second throne line, and reverse the time.

And the angel took the censer, and filled it with fire of the altar, and cast it into the earth...

W

Intermediate Report

Now we've found extraordinary and astonishing signs in the heavens for the 4th, 5th, 6th, and 7th trumpets, not to forget the throne line sickles of the Orion clock that mark the 6th and 3rd trumpets and are mentioned in the harvest texts in Revelation 14.

So far, however, we haven't investigated the first 3 trumpets with our new key of understanding. Two of them have already begun! We are still in the 2nd, and will be until July 20, 2017 when the 3rd will begin.

In our "Prophecies Fulfilled" series, we wrote about the earthly events that accompanied the trumpet clock signs and texts. Every sign in heaven has a corresponding event on earth, exactly as Joel told us...

- *And I will shew wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: (Acts 2:19)*

The 1st Trumpet Sign on Nov. 22, 2016

- The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up. (Revelation 8:7)

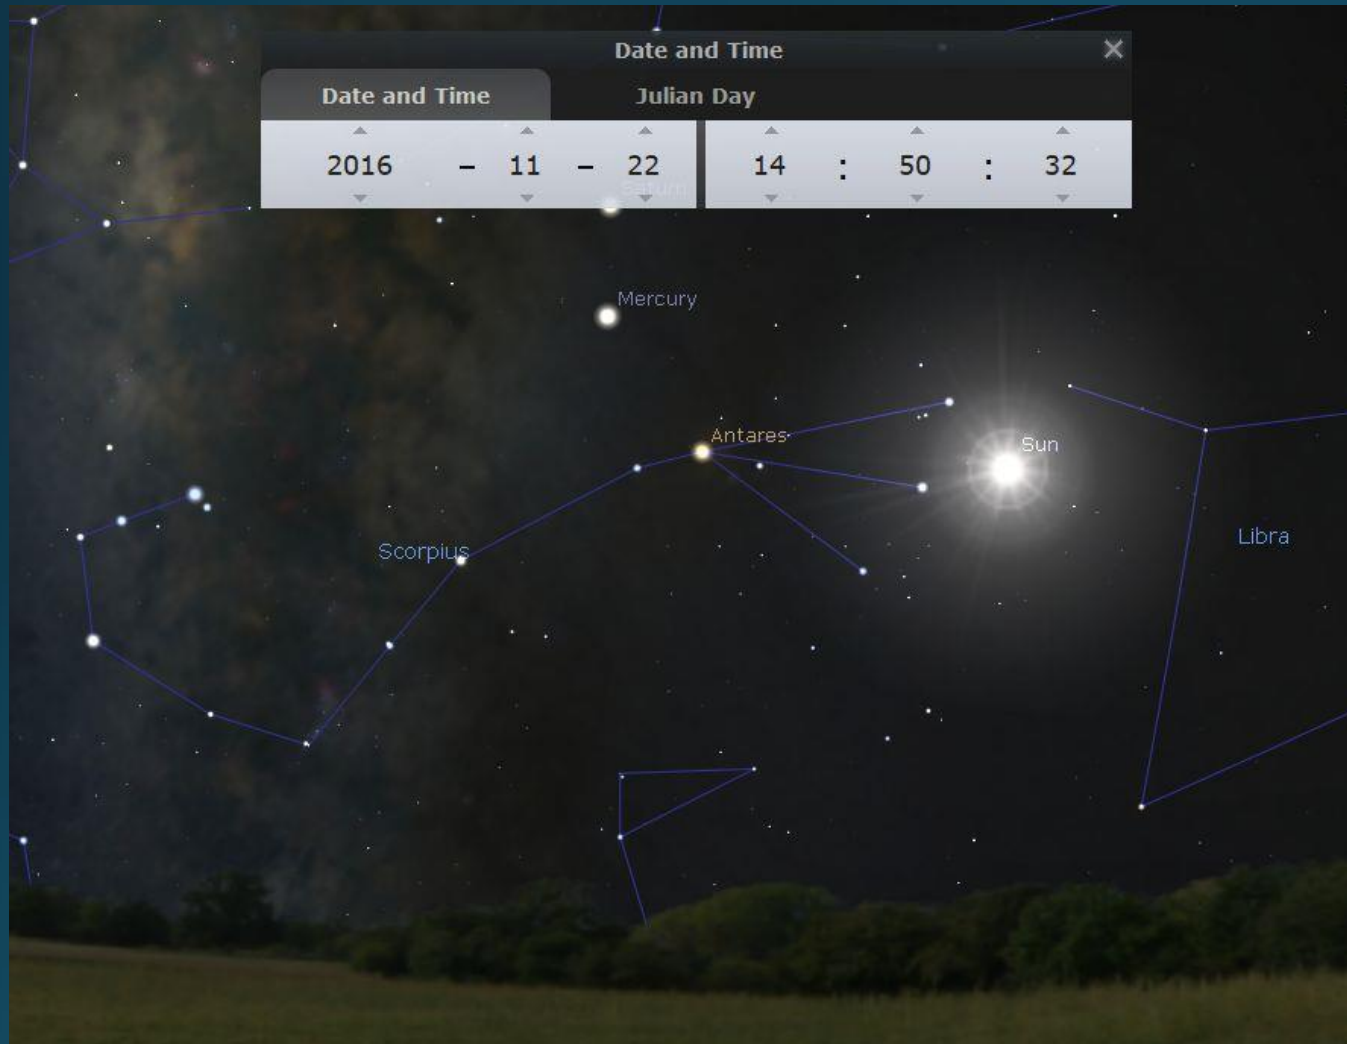

The “fire mingled with blood” part of the prophecy was fulfilled by the fires in Israel, especially in the region around Mount Carmel, exactly on the 2520th day after Jesus revealed the Orion clock to “Elijah”. Some 16 people died in the fires, and the third part of Israel’s trees were burnt up.

In the “silent” preparatory trumpets, we saw Mount Sinabung in Indonesia erupt and also kill about 16 persons. So far we understand this to be the hail part, which is perfectly correct in the light of Joel’s prophecy.

But where is the corresponding heavenly sign?

A Throne Sign Again: Scorpio

The 1st trumpet happens at the Saiph position of the trumpet clock, which has the throne face of the lion. But on November 22, 2016, we have the sun in Scorpio. But remember Ezekiel 1!

It is surprising that we again have a trumpet happening exactly on one of the throne signs.

But where is the "hail"?

Hail Cast Upon the Earth

If we just read the Biblical text, as many do, we recognize that “hail cast upon the earth” hints very clearly to a meteor shower.

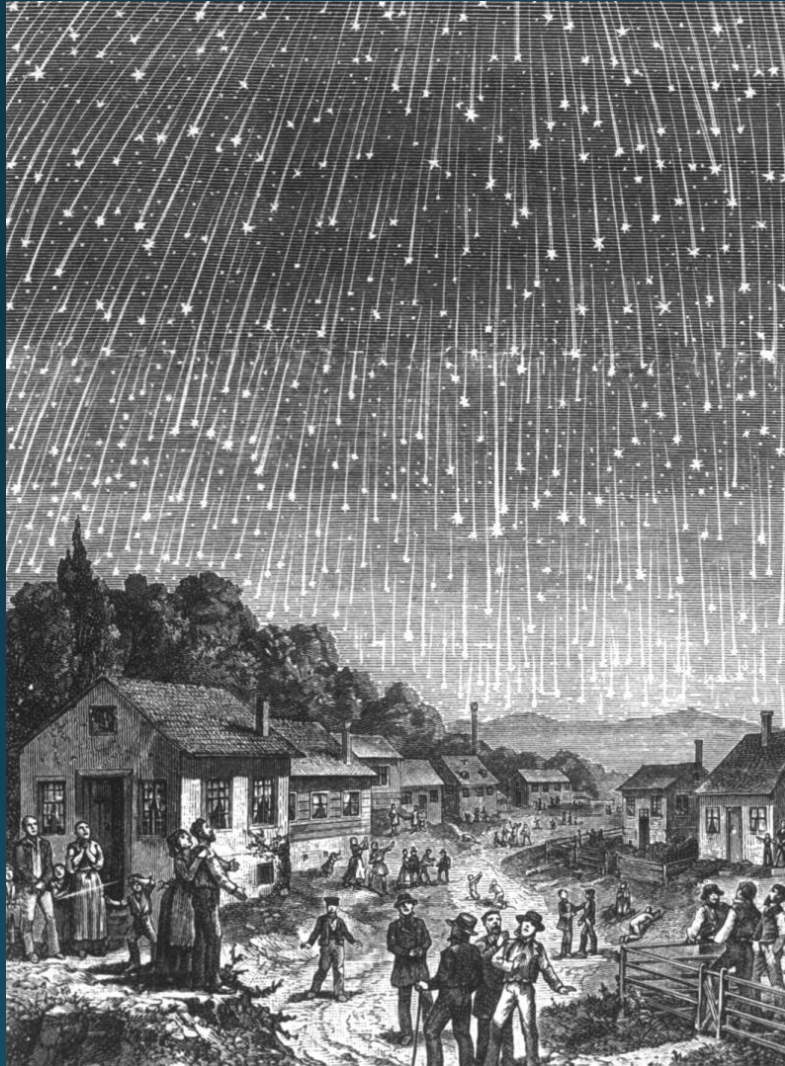

Do we have one in November?

Yes.

Meteor showers take their names from the constellation where they seem to come from. Guess where it is coming from in November...

An Approved Sign from Heaven

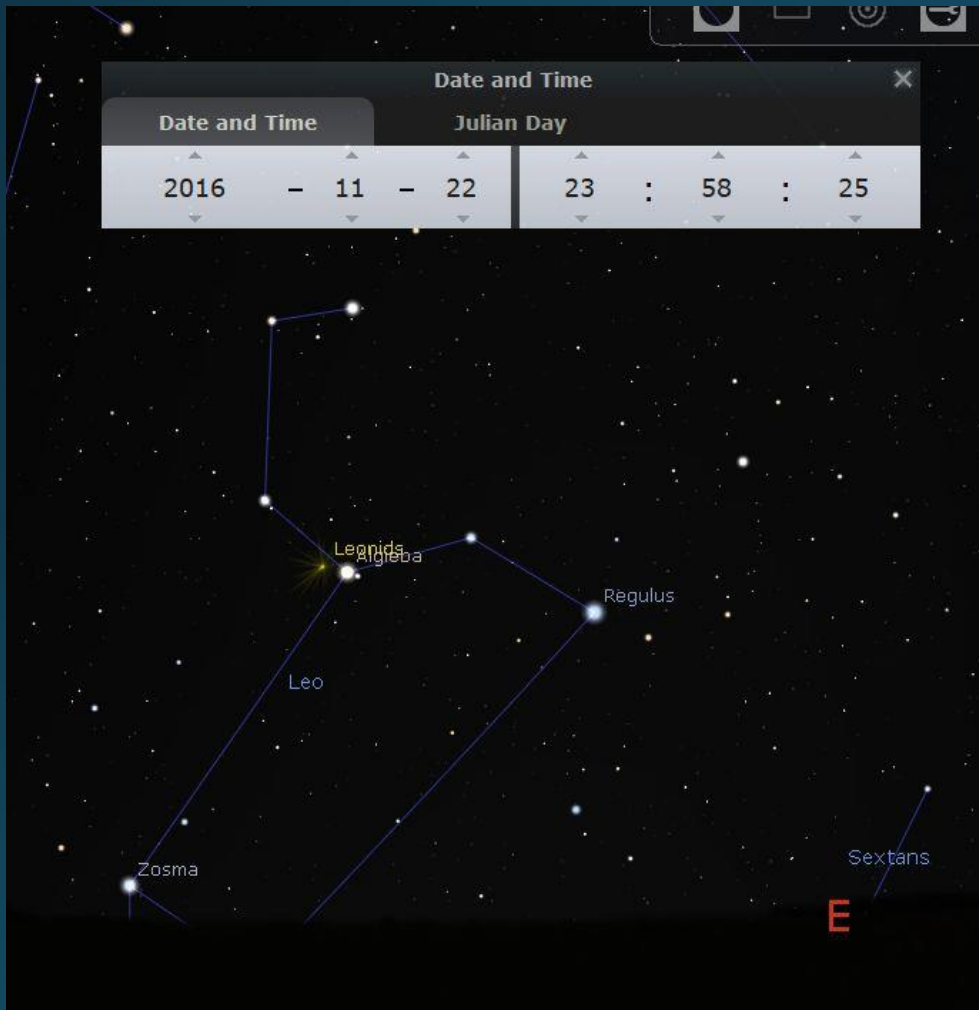

The meteor storm in November 1833 came from the constellation of Leo, therefore this yearly heavenly spectacle is called "the Leonids." EGW approved this to be a sign from heaven (see [GC 333.1](#)) fulfilling part of the text of Revelation 6:13 which belongs to the 6th seal.

The Leonids have their peak around November 12/13 but are still visible on November 20, when the 1st trumpet sounded.

The next slide shows the situation exactly on November 22, 2016. The photo of the previous slide is also from November 2016!

The Hail with Blood in the Sickle

The Leonids wander through the sickle of Leo in November of each year, but there is only one year when they fall exactly on the day where God prophesied that the 1st trumpet would give a loud sound, and all the other characteristics would also be met!

In 1833 no tree or grass was burnt up. In 2016 they were. In 1833 not one single person died. In 2016 there was the blood of 16!

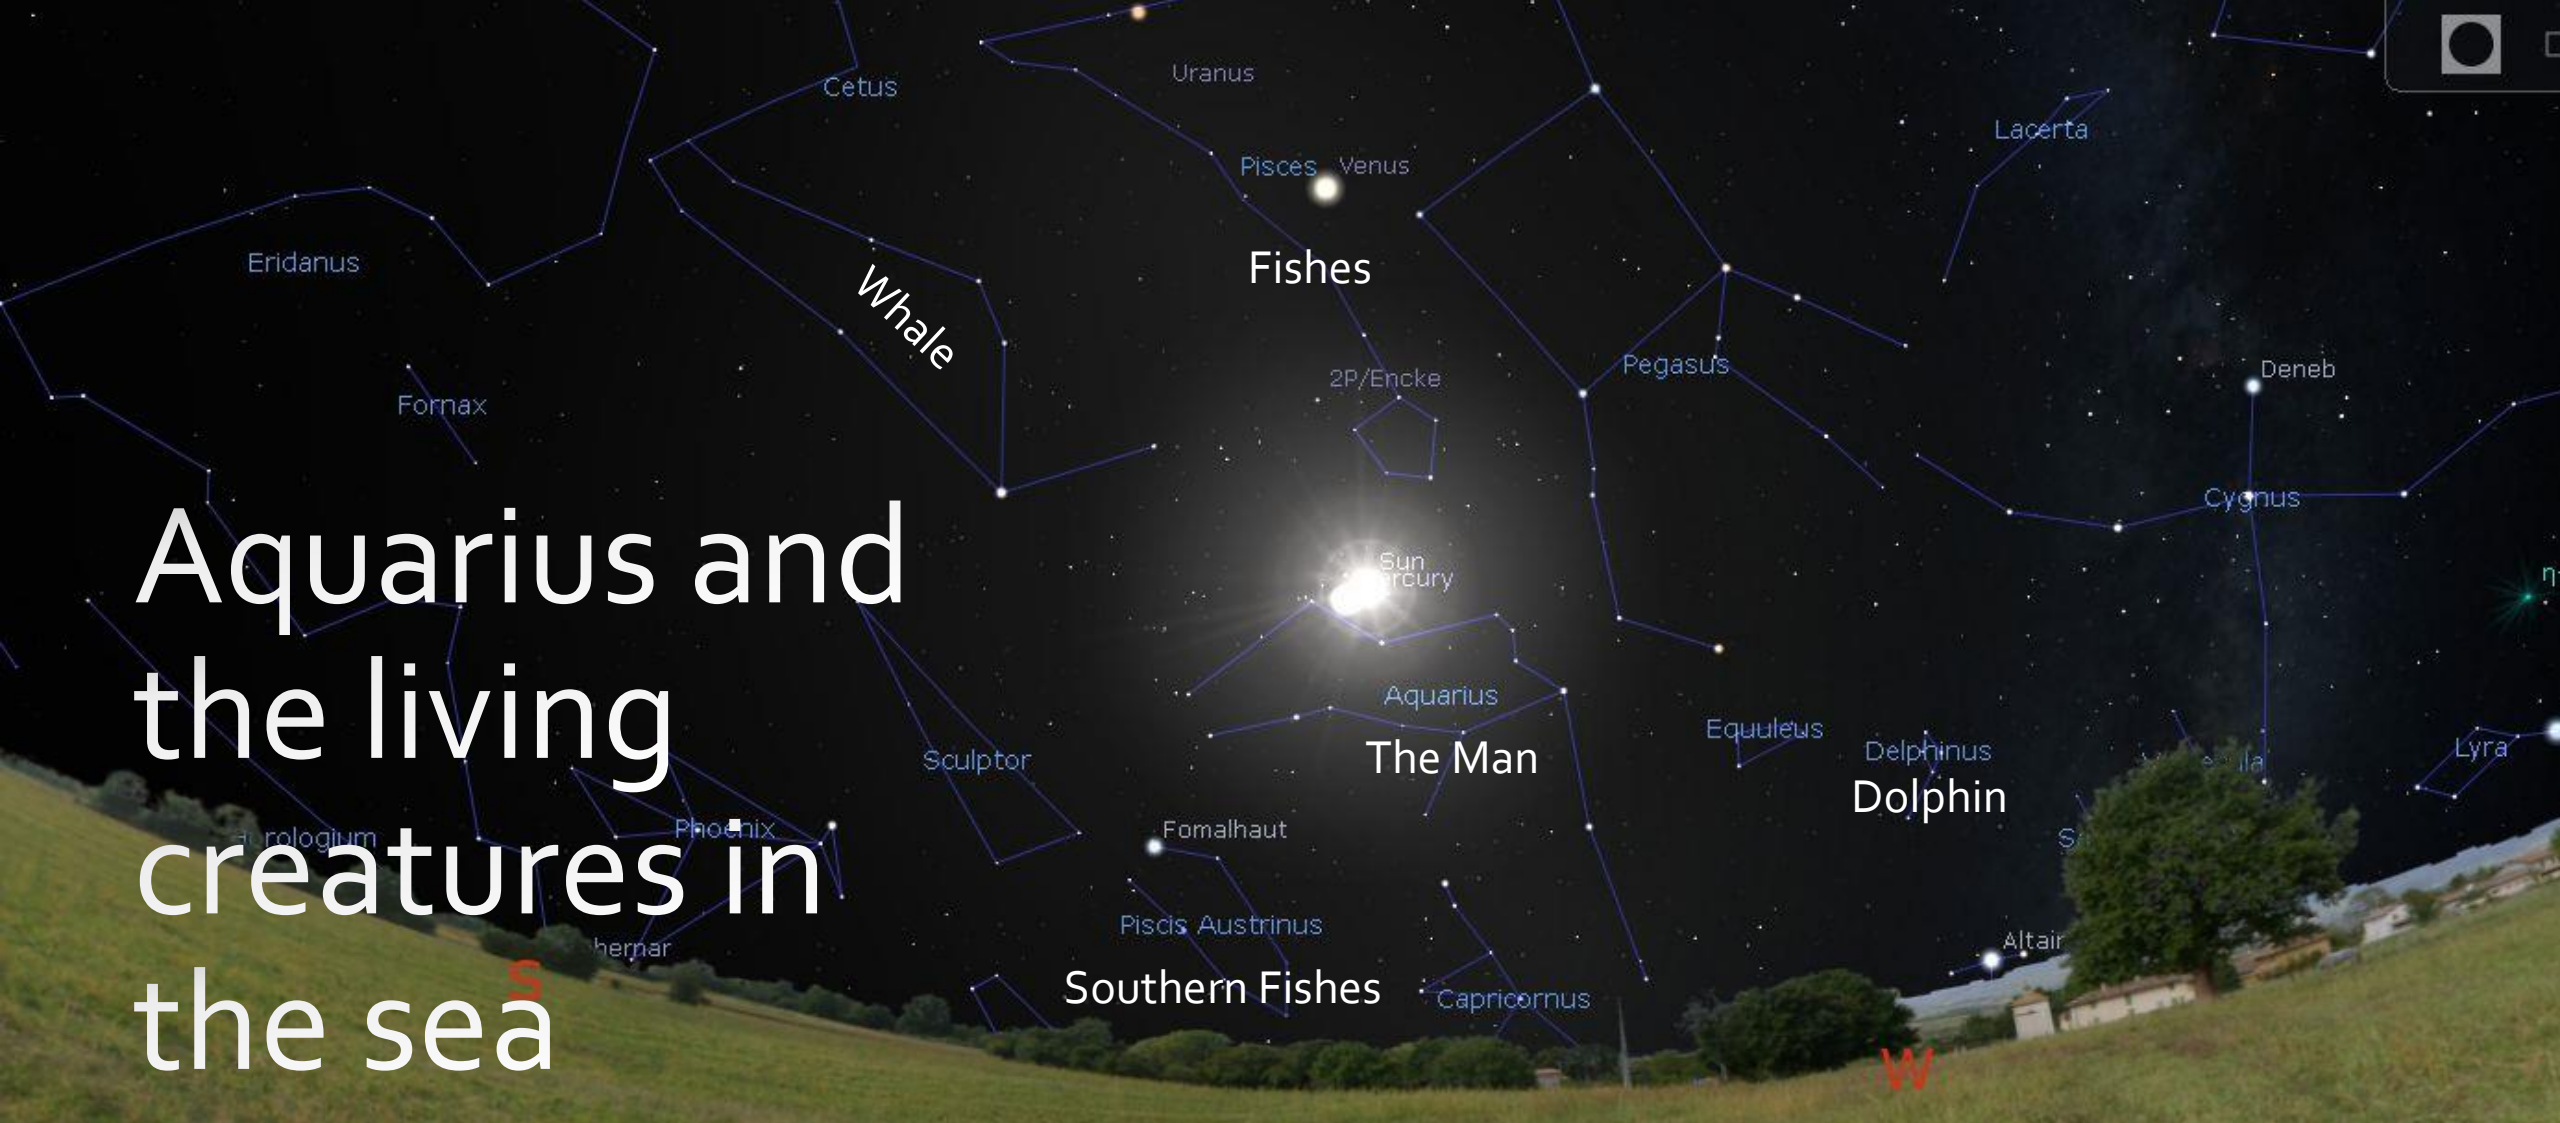

A Lot of Life in the Sea: March 6, 2017

- And the second angel sounded, and as it were a **great mountain burning with fire was cast into the sea**: and the third part of the sea became blood; And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed. (Revelation 8:8-9)

At the time of this sermon (May 10, 2017), we are still in the second trumpet. We deciphered already what “the great mountain burning with fire” was, that “was cast into the sea.” We still wait for a third part of the ships to be destroyed. We see that the Brexit will not be the only ship that sinks in the sea of Europe. Nevertheless, where is the heavenly sign accompanying these events, and thus approving the 2nd trumpet with the heavenly seal?

Aquarius and the living creatures in the sea

Date and Time [X]

Date and Time				Julian Day					
2017	-	3	-	6	14	:	27	:	32

Impossible Impossibilities

We found the 4th principal sign, the last missing “living creature” around the throne of God in the trumpet cycle: Aquarius, the Man. It is Jesus as the Creator of all life in the sea! Jesus is warning us with every trumpet sound that He cares for His creatures and does not allow man to destroy His creation without the penalty of the wrath of God.

It is impossible that all this is mere coincidence! Now we’d need several parallel universes to show with the count of their atoms how impossible it is that all our findings in Orion, the HSL, and now in the second time proclamation are pure coincidence. **Coincidence itself became an impossible impossibility.**

Until now, each an every trumpet sound was accompanied by a clear heavenly sign and one of the “living creatures.” So we could assume that it will be no different with the last trumpet that we have yet to investigate... the 3rd.

The Mysterious 3rd Trumpet

- And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called **Wormwood**; and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter. (Revelation 8:10-11)

It is the trumpet on the **left hand of Jesus** in the Orion constellation. Neither the text of Revelation 14 nor the text above lead to a throne sign in the heavens. I searched quite a while for it.

The sun enters the star constellation of Cancer on July 20, 2017, the very day of the beginning of this trumpet. Cancer is not a throne sign, and no asteroid, comet or other moving combination is visible that would match the Bible text. Let us look at the surroundings of Cancer on July 20-27, 2017...

Date and Time		Julian Day	
2017	- 7 - 20	15	: 21 : 43

The Sky of the 3rd Trumpet

The Offspring

On [HeavensSpeak](#) we find the explanation of what the “crab” star constellation, or Cancer, stands for in the Gospel of the Stars:

- **Main Stars:**
- *Tegmine* in the tail is Cancer's brightest star and means "The Sheltering" or "Hiding Place" or "Holding".
- *Præsepe*: Contained within the 'cattle fold' is a bright nebula now called "the Beehive", whose ancient name was *Præsepe*, "a multitude" or "offspring" or "manger". The Romans saw it as a manger within a camp, recalling back to the identification of Cancer as a Cattle-fold. *Præsepe* means "The Multitude" or "The Innumerable Seed".
- *Al Himerein* means "the kids" or "lambs".
- *Acubene* in the lower large claw means both in Hebrew and Arabic "the sheltering" or "hiding place".
- *Ma'alaph* means "Assembled Thousands" and is also called *Al Himarein* ("the lambs").
- Let's put this all together: **Cattle-folds, including kids and lambs, binding together and encircling, sheltering, one who possesses them, and a multitude.**

The Lion and Hydra

Both the Lion and Hydra are facing the “offspring” or remnant. Both are interested in “harvesting” them... one to bring them into the barn, the other to devour them.

Hydra is the “sea serpent” or “water snake” in other translations. It’s tail makes it the largest constellation in the sky!

The Seven Heads of the Hydra

How many heads does the Hydra have according to the oldest sources of mythology that we have? ([Wikipedia](#))

- The Hydra had many parallels in [ancient Near Eastern religions](#). In particular, [Sumerian](#), [Babylonian](#), and [Assyrian mythology](#) celebrated the deeds of the [war](#) and [hunting god Ninurta](#), whom the [Angrim](#) credited with slaying 11 monsters on an expedition to the mountains, including a **seven-headed serpent** (possibly identical with the [Mushmahhu](#)) and [Bashmu](#), whose constellation (despite having a single head) was later associated by the [Greeks](#) with the [Hydra](#). The constellation is also sometimes associated in [Babylonian](#) contexts with [Marduk's](#) dragon, the [Mushhushshu](#).

The Healed Wound of the Beast

What happens to the head of the Hydra if you chop it off, or in other words, when it receives a “deadly wound”?

- According to Hesiod, the Hydra was the offspring of Typhon and Echidna. It possessed many heads, the exact number of which varies according to the source. Later versions of the Hydra story add a regeneration feature to the monster: for every head chopped off, the Hydra would regrow a couple of heads. [ibid]
- And I saw **one of his heads** as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.
(Revelation 13:3)

The Other Wonder in Heaven

No doubt, we found the other Great Sign described in Revelation 12.

Hydra is the dragon that is waiting to devour the offspring of the woman, as soon as she has given birth!

Understand the timely order of both signs:

1. The woman appears and is described as pregnant – verses 1 and 2 (1st trumpet on Nov. 22, 2016)
2. The great red dragon appears waiting to devour her child, the offspring. (3rd trumpet on July 20-27, 2017)
 - And there appeared **another wonder in heaven**; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads. And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born. (Revelation 12:3-4)
3. On September 23, 2017, the dragon makes war with the remnant – verse 17.
4. We can even read in the sky when the woman delivers.

Why is the Dragon red?

Watch the previous video again... Mars, the red planet, rules over this heavenly sign on July 20 to 27, 2017.

It stands beside the sun, adding the red color to the whole imagery.

Mars is the planet that stands for war.

- And the dragon was wroth with the woman, **and went to make war** with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ. (Revelation 12:17)

Are your faces shining now?

- *Servants of God, with their faces lighted up and shining with holy consecration, will hasten from place to place to proclaim the message from heaven. By thousands of voices, all over the earth, the warning will be given. Miracles will be wrought, the sick will be healed, **and signs and wonders will follow the believers.** Satan also works, with lying wonders, **even bringing down fire from heaven in the sight of men. Revelation 13:13.** Thus the inhabitants of the earth will be brought to take their stand. {GC 612.1}*
