

## The River from the Throne

Written by Robert Dickinson  
For the church of Philadelphia on February 23, 2022

Let us now take a closer look at the meaning of what we saw in the heavens in the previous post. The sign in heaven, with its double meaning of the sun as the man in sheep's clothing, speaks of the war of Revelation 19 with Jesus coming on the white horse and fighting against the armies of Satan on the earth **with the sword of His mouth**:

**And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. (Revelation 19:15)**

Notice that it speaks of the sword of His mouth, not the sword of His hand. In other words, Jesus doesn't physically fight here on earth, but the WORDS of His prophecies against mystical Babylon will come to pass and Babylon will be destroyed accordingly. This is how the sword of His mouth (the Bible) destroys the wicked. Once the rapture happens, the wicked will realize that they were deceived, and their only hope of survival will be to fight **against** what God has prophesied, but God's word will prevail.

Remember, this sign in heaven is a moving sign. It starts on February 27 with the gathering of the redeemed in the rapture. Meanwhile, the wicked are gathered on the earth, according to the astrological "new age" teachings, also marked as February 27:

**And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army. (Revelation 19:19)**

We know from the Horologium clock that the sword of His mouth is the pendulum time of June 4, 2022. Probably this is when the wicked will be destroyed by self-annihilation through the mutually-assured destruction of nuclear warfare. Perhaps this is what the solar flare symbolizes: the sun-like power of

nuclear bombs. This is the justice and wrath of God that casts the beast and the false prophet into the earthly lake of fire.

*And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. **These both were cast alive into a lake of fire burning with brimstone.** (Revelation 19:20)*

And thus the destruction of Babylon is complete and the chapter is concluded:

*And the remnant were slain with the sword of him that sat upon the horse, **which sword proceeded out of his mouth:** and all the fowls were filled with their flesh. (Revelation 19:21)*

Even the astrologers can see that this sign is about the decisive battle in the great controversy between good and evil. In an emotional video entitled [What The World Will Choose ?? Mahashivratri 2022 & 5 Planetary Conjunction in Capricorn | Ambrance](#), it is nicely explained from an Indian astrological background that the world is facing the choice **between creation and destruction**. It is ultimately about the choice of every human being to follow the Creator, Jesus, or the one who brings death, Satan.

In Brother John's new dream of February 20, 2022, it is said that even South America would perish in the aftereffects of this war, but there is one way of escape to be found by listening to what Brother John had to say, because through the Orion message and all that it entails, God has revealed the depth of His word. Sister Miriam dreamt the following dream, which was specifically referenced:

### **The Hungry Kitten**

Dream of Miriam

February 12, 2022

**Last night I dreamed of a very big house with many rooms.** I could see Brother John as supervisor, checking the whole house because a little construction work remained. He said it must be finished as soon as possible. Brother John entered a room where there was a desk and said this will be the reception. He said there were more people waiting who were to enter. They would first enter through the reception, so they would know that they were fit to be in the house. In one room there was a very hungry kitten, crying, not wanting to leave there. Sister Yormary said, "We have to feed it. Do not take it out of the room." In that house were all our big family.

Without going into detail, suffice it to say that having a big house with many rooms simply means many more people could and should be welcomed into our ministry. Unfortunately, however, while Brother John's new dream confirms that, it also expresses that it probably won't be possible because other pastors will do their **UTTERMOST** (it was shouted in the dream) to prevent it. The people would be interested, but the pastors prevent them from hearing the truth, just as Ellen G. White said:

Many of the wicked were greatly enraged as they suffered the effects of the plagues. It was a scene of fearful agony. Parents were bitterly reproaching their children, and children their parents, brothers their sisters, and sisters their brothers. Loud, wailing cries were heard in every direction, "It was you who kept me from receiving the truth which would have saved me from this awful hour." **The people turned upon their ministers with bitter hate and reproached them, saying, "You have not warned us. You told us that all the world was to be converted, and cried,**

Peace, peace, to quiet every fear that was aroused. You have not told us of this hour; and those who warned us of it you declared to be fanatics and evil men, who would ruin us.” But I saw that the ministers did not escape the wrath of God. Their suffering was tenfold greater than that of their people. { [EW 282.1](#) }

And again, Jeremiah 23 applies, as mentioned before.

But there is another big house into which the raptured people should go. The conjunction of Jupiter and the sun is in the “house” of Aquarius, which we now understand represents the Father. In other words, this constellation is the house of the Father. That is why the man in sheep’s clothing riding on the white sheep was the “owner” of the pasture—again, it has a double meaning: it refers to things in heaven where God is the owner, and to things on the earth where Satan exercises his power. The pasture in the dream was described as **having grass about six feet tall**, reminiscent of the grass on the other side of the chasm in Ellen G. White’s dream:

Before us, on the other side of the chasm, **was a beautiful field of green grass, about six inches high**. I could not see the sun, but bright, soft beams of light, resembling fine gold and silver, were resting upon this field. Nothing I had seen upon earth could compare in beauty and glory with this field. But could we succeed in reaching it? was the anxious inquiry. Should the cord break, we must perish. { [LS 192.3](#) }

In the evening on February 20, 2022, Brother John brought us together again to share with us the answer to all our prayers for the 144,000. It is a video—a video which has a meaning that goes far deeper than its content. Gathered in the temple, he played this video that he had found on the large screen that you have seen in the pictures of the interior of our new sanctuary.

As you watch the video, pay attention to the journey they took and how much of their conclusions agree with ours.

Video: [Watching the Line](#)

Did this video have the same effect on you that it had on us? Were you comforted and encouraged to see that others have looked up too, and have understood the time of Christ's return, and we are not alone on this earth?

God hath not cast away his people which he foreknew. Wot ye not what the scripture saith of Elias? how he maketh intercession to God against Israel, saying, Lord, they have killed thy prophets, and digged down thine altars; and I am left alone, and they seek my life. But what saith the answer of God unto him? **I have reserved to myself seven thousand men, who have not bowed the knee to the image of Baal. Even so then at this present time also there is a remnant according to the election of grace.**  
(Romans 11:2-5)

This video assured us that the big house of the Father would indeed be filled, even though we can't see everyone who will be saved. We have believed this by faith, but now we see that God indeed has His "seven thousand" who have not bowed the knee to Baal. PRAISE GOD! These are the 144,000 that we have been laboring for; they are out there, and they have understood the voice of the Father and know the time of the Lord's return. They recognized the Mazzaroth as a clock—the Father's clock—and saw not a specific date but a "high watch" timeframe for the rapture indicated there, as we also saw a timeframe from February 27 to March 5, 2022. They started in 2014 and kept looking up **and learning from their experience** until they could understand the Father's voice.

They sing "a new song" before the throne, a song which no man can learn save the hundred and forty and four thousand. It is the song of Moses and the Lamb—a song of deliverance. **None but the hundred and forty-four thousand can learn that song, for it is the song of their experience—an experience such as no other company have ever had.** "These are they which follow the Lamb whithersoever He goeth." These, having been translated from the earth, from among the living, are counted as "the first fruits unto God and to the Lamb" (Revelation 15:2, 3; 14:1-5.) "These are they which came out of great tribulation"; they have passed through the time of trouble such as never was since there was a nation; they have endured the anguish of the time of Jacob's trouble; they have stood without an intercessor through the final outpouring of God's judgments.—The Great Controversy, 648, 649 (1911). { [LDE 268.4](#) }

We have long been pained with how small our reach has been. Especially lately, as the Father has been vindicated and the rapture appears imminent, we have been perplexed because we know that the 144,000 must be found. That is one of the core beliefs of our movement (the last generation theology). And how few have found our ministry! But even if others are not coming to us, the Lord now shows us that there are a few who are independently finding some of the same things about the timing of Christ's return that we are finding—and even some details we didn't recognize so clearly. It is extremely encouraging to know that we are not alone in this world.

One point in the video that shows how we have dropped the ball is in their understanding of the symbolism of the Olympics. We learned to look behind enemy lines, and we know that the Olympic Games is the venue of one of the most symbolic messages that the world elites convey to the world, but we did not pay much attention to it as we should have. The "peace and security" theme—just before WW3 seems to be breaking out—is a very clear indication of where we are in the flow of time.

But what caught Brother John's attention and immediately revealed the deeper meaning of why Aquarius is the location for the rapture sign was the picture of the water pots at minute 16:29:

Notice especially the observation that the conjunction of the sun and Jupiter is **in the stream of water** from Aquarius, which is connected to the following verse:

*And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations. (Revelation 22:1-2)*

*And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely. (Revelation 22:17)*

Now it becomes clear why Jesus began His ministry with the miracle of turning water into wine at the marriage feast of Cana: he filled the waterpots with water, and when they were poured out, wine came out. This beginning of miracles foreshadowed the message of the latter rain that began in 2010 and concludes with the waterpot not of Cana but of Aquarius, not of an earthly wedding feast but a heavenly.

Jesus, when He came to the end of his earthly ministry, promised that He would not drink of the fruit of the vine until the day He would drink it anew with His disciples in the kingdom of heaven. That time has come, as we enter the Father's house for the wedding supper of the Lamb.

The fact that the water of life flows from the pitcher of Aquarius is one more proof that the constellation of Aquarius represents the house of the Father, because it is His throne where the water of life flows from:

*And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. (Revelation 22:1)*

And now it is clear why the carillon of Revelation 19 includes the following words:

*And the four and twenty elders and the four beasts fell down and worshipped God that sat on the throne, saying, Amen; Alleluia. And a voice came out of the throne, saying, Praise our God, all ye his servants, and ye that fear him, both small and great. And I heard as it were the voice of a great multitude, and as the voice of many waters,*

and as the voice of mighty thunderings, saying, Alleluia: for the Lord God omnipotent reigneth. Let us be glad and rejoice, and give honour to him: **for the marriage of the Lamb is come**, and his wife hath made herself ready. (Revelation 19:4-7)

The water of life that is now being poured out is the end result of the latter rain message that began in 2010 when the Orion message was published. Twelve years long, this message has been doing its work. This is the number of the covenant, and if we look back with the knowledge that the constellation of Aquarius represents the house of the Father, we find something very amazing.

Jupiter has a twelve-year orbit; is it possible that the Orion message also began twelve years ago with a sign in Aquarius, as surely as it is the message “like the voice of many waters”?

Lo, and behold, the conjunction of Jupiter and the sun twelve years ago fell on **February 27, 2010**—the very date of the Chile earthquake, of which Ernie Knoll spoke in the context of his dream Justice and Mercy. This first quote comes from his edited website:

**In the February 5, 2010 dream** I was shown the calendar with **February 10** circled in blue. **This is the day I was given the message for Martha.** I was shown a seven-day period twice and then an additional **3** days given by God in His mercy and patience as He waited for Martha to repent, **which ended on February 27.** I was shown a vial of wrath that would be broken and poured out on that day, with the results being visibly marked. On that day the vial was poured out upon Chile. **I was instructed not to share this dream at the time it was given, since it involved dates.** All God’s people are to know that after October 22, 1844, there is no **defined** biblical time prophecy.

**On February 27, 2010, the Father broke open a vial of His wrath upon Chile. The destruction that resulted was without question noticeably marked. This earthquake caused a change in the earth’s time clock. This earthquake caused the ground mass of Chile to move a great distance. It was because of this earthquake that weather patterns were affected.**

Some details quoted above were edited by Ernie and his team, and we will highlight them shortly, but many things about this singular time setting dream are now becoming clear. It speaks of a message to Martha (Ernie's sister-in-law) given in a dream on **February 5, 2010**. This "Martha" was as a symbol for the apostate church that—like the biblical Martha—was busy with worldly affairs instead of listening at the feet of Jesus. **The church also received a message dated February 5, 2010**, when the Orion presentation had been completely published in all the three languages of our ministry, concluding with Spanish:

The screenshot shows a website interface with a dark red header. The main title is "EL ÚLTIMO CONTEO". Below it is a navigation bar with the text "¡ELIGE EL ARTÍCULO!" and a menu icon. The article title is "El mensaje de Orión para el pueblo de Dios". Under "Detalles", it says "Escrito por John Scotram". The publication date is "Publicado: Viernes, 05 de Febrero de 2010, 17:30" and the creation date is "Creado: Viernes, 05 de Febrero de 2010, 17:30". The first paragraph of the article begins with "Cuando descubrí el Reloj de Dios en Orión, no sabía que Dios había escrito un mensaje para nosotros los adventistas del séptimo día y para todas otras denominaciones cristianas en el cielo. Dios quiere que encontremos nuevos tesoros en Su Palabra para que podamos tomar el camino correcto en la agitación de los últimos días."

Now it is clear why the Herald took the calendar from the wall on that date!

After seven days, seven more days, and 3 (actually 4) more days, a physical earthquake struck in Chile, as Ernie Knoll recorded. On that very day, the sign in Aquarius appeared with the sun and Jupiter in conjunction **with Venus and Mercury on either side** in the constellation boundaries.

Venus, the bright and morning star, biblically represents Jesus, the messenger of the covenant (or sometimes even Satan)—but always a covering cherub—while Mercury is known as “the messenger of the gods”—the other covering cherub. These two celestial bodies aside the brightness of the Father’s glory symbolized by the sun “in the house of the Father’s glory” is a picture of the ark of the covenant. This sign was not recognized in 2010, but now we can see that twelve years ago, God began to fulfill His covenant by giving the Orion message.

Now, twelve years later, this message has reached its completion as Jupiter has completed its twelve-year cycle. Is it any wonder why Jupiter, with its twelve-year orbit, has played such an important role, as explained in Section 4 of the Legacy of Smyrna: The Heavenly Notary? Now the great world-shaking event that was foreshadowed by the Chile earthquake is about to happen. Notice how Ernie Knoll related the dream in an original draft:

You were shown a calendar **with the 10th of February** circled in Blue. **This is the day that you were given a message to be presented to Martha.** You were shown a 7 day period on the calendar. You were shown another 7 day period on the calendar. In His patience and mercy you were shown yet and additional **4** days. This was shown as the **27th of February**, marked in a red box. You were shown a vial that would be broken and poured out upon that day. You were shown that the wrath of this vial would be so severe that the results of the vial would be visibly marked. **You were instructed to not share this dream as it deals in date and time setting.** Those that read His word know that He no longer **openly** gives date prophecy after what He showed of October 22, 1844.

Here you see different details emphasized. Note that we published our last public article on February 10, 2022, in recognition of this dream—the last part of the message to Martha. Note also that the statement about time setting is clearer: this dream “deals in date and time setting,” which—if it is accepted as a dream from God—means time setting is neither a sin nor a thing of the past. Prophetic dates are simply not given “openly” as it says. Instead, **we have to understand God’s times by studying His word**, which has brought us over the past twelve years to the understanding we have today.

To understand God’s times, we have to understand God, because God is Time. It is through the medium of time that God communicates to us. We recognize His hand in our world by the timing of His interventions. When this happens in miraculous ways, like through a prophecy involving February 27, 2010, that was accompanied by an earthly sign **and a heavenly sign**, as we now recognize, of the ark of the covenant, and when we see the fulfillment of these signs twelve years later in the full knowledge of the meaning of that covenant, then it cannot be anything other than the hand of God that was at work through the Orion message during all those years.

This heavenly picture on February 27, 2010, depicts the oath (to seven oneself) of Daniel 12:7 that gave rise to the Orion formula:

$$7 \times 12 + 7 \times 12 = 168$$

From the oath of Daniel to the oath of Revelation spanned twelve years, also indicated in Ernie Knoll’s dream by the 12-inch panels, seven of which would fill a standard doorway. And thus has the door of mercy closed during these twelve years from the beginning of the latter rain message until the water of life flows from the throne of God.

The whole twelve years of the Orion message from 2010 to 2022 was the last warning to MARTHA, the apostate church, and each of the twelve panels was one year until the door of her grace was completely closed. God has been very gracious, and those who have kept the word of His patience will be rewarded. The Orion message has not lost its significance, and salvation comes according to the end of the Orion cycle—not on June 4, 2022, according to the Horologium clock when the earth will probably be destroyed by nuclear war.

*For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, (1 Thessalonians 5:9)*

Going back to John's new dream of February 20, 2022, another important point is that it confirms our understanding that **the rapture of the two witnesses in Revelation 11 does in fact symbolize the rapture of the saints**. Only two churches are raptured—those who belong to Smyrna and Philadelphia, those represented by Elijah and Moses who stood aside Christ in the mount of transfiguration, and those who are represented by the two cherubim on either side of the mercy seat in the kingdom of heaven.

The planets that stand for the tiger and bear travel through Sagittarius as the moving sign of 2022 is beginning on February 27. This shows that it is the US who is provoking Russia and China (the tiger and the bear) to stand up and attack.

Some of you have noticed that the bitcoin price has dropped back down in recent days. This is one more sign of the end. We have always known that at the end of time, bitcoin will also lose its value, as there is nothing in this world that can be taken to heaven, as Brother Aquiles recently experienced in a dream (of February 6) in which he saw himself distancing from his properties (his possessions).

During the night before Monday morning (February 21, 2022) the Lord revealed to Brother John exactly why we are allowed to reward Babylon, and that this understanding will reveal WHEN Babylon will fall. He said the reason is what happened two years ago when the markets were hit by the coronavirus crisis—especially Bitcoin, which represents the 144,000...

When he arose, he went to the computer and researched when the Bitcoin price began to fall. The charts show a price over \$9,000 on **March 6, 2020**, but by **March 12** it had dropped to the \$4,000 range. Now, exactly two years later, this timeframe corresponds to the days of the saints' travel to the Orion Nebula. **During the same time frame that the wicked brought the symbolic 144,000 down, God brings the 144,000 up!**

When the people of God are withdrawn from the earth, the Holy Spirit is also withdrawn, as there are no more hearts amenable to His influence. This leaves the wicked to their unbridled passions, and panic will ensue. PANIC is the worst thing for financial markets and would result in the complete crash of the dollar. This was already foreshadowed in Brother John's February 20 dream by the man who came into the room in utter panic. (Others on YouTube have also been prophesying of "widespread panic" for some time.)

It was also during **March 6 to 12, 2020**, that the crisis [began in Paraguay](#) . Probably there will be a corresponding lockdown or alarm in the United States this year, either on the initiative of the US government or as a result of actions of Russia and/or China. The dollar will surely collapse, but our trust is in the Lord who has not forsaken us but has made the way of escape for us. We have no need to fear or panic, just as Brother John and Sister Linda were unfazed in their dream, because they already knew what would befall and were prepared by the study of the Word of God and by His faithful guidance.

To be continued again!
