

Worthy Is the Lamb

Written by Robert Dickinson
For the church of Philadelphia on March 6, 2022

Dear brothers and sisters, beginning on Friday night, we received a message that literally puts the seal on everything we've learned. In this post, we want to bring your attention back to an important discovery that was written by Brother John to close the Legacy of Smyrna article series, namely, [Section 4: The Heavenly Notary](#). In particular, we want to bring your attention to the heading "The Notary Closes with the Explanation of the Divine Heartbeat".

It would be nicest for you to experience reading that section in the original publication, so please go to [Section 4: The Heavenly Notary](#), find the heading "The Notary Closes with the Explanation of the Divine Heartbeat", and read from there. Read the footnotes and watch the video carefully, and after the video, finish reading the section until you reach the next heading ("The Notary Concludes the Notarization Session") and then come back here where we will explain the new finding.

Once you have done the above, come back and read the next post below!

(Continued from the previous post... please read the previous post if you haven't yet.)

Wow, was it a blessing to remember the things that were written about the divine heartbeat!? Did it make you want to know where Uranus might be right now, and what significance it might have?

The video in that section had the title "The Heavenly Notary certifies the Movement of the Fourth Angel" which is a very significant title right now as our work is ending! It spoke about Uranus as the heavenly body that **confirms the millennial years** of the plan of God. This is highly significant in light of Sister Miriam's word that says "Wait" in connection with the verses containing G620 about the millennial rest.

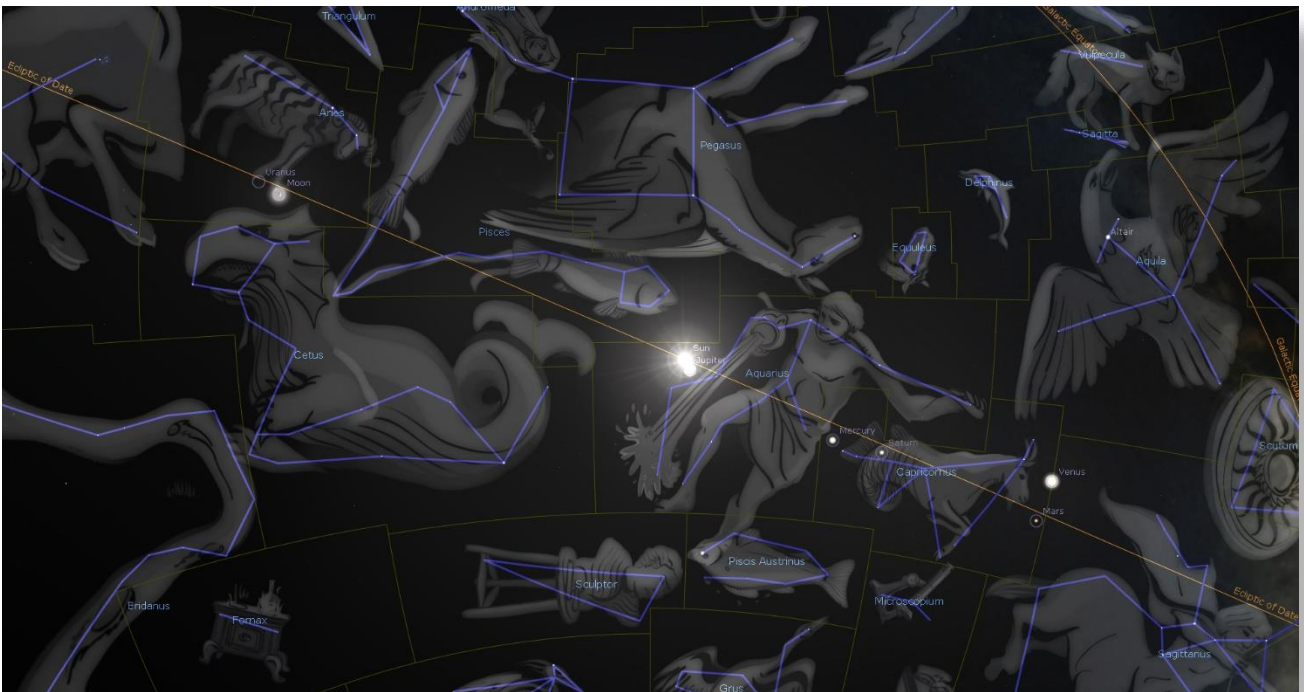

When does the millennial rest begin? If we had remembered the things written in this article, then we would have already known when all millennia begin: according to when Uranus signifies it!

Note the following quote from Ellen G. White, which was the first quote in the video and had the last line highlighted as follows:

Upon all created things is seen the impress of the Deity. Nature testifies of God. The susceptible mind, brought in contact with the miracle and mystery of the universe, cannot but recognize the working of infinite power. Not by its own inherent energy does the earth produce its bounties, and year by year continue its motion around the sun. **An unseen hand guides the planets in their circuit of the heavens....** {Ed 99.1}

If you look for Uranus tonight, you will find out exactly what “unseen hand” it is, which guides the planets. It is the hand of the Lamb of God:

What planet is in the hand of the Lamb? It is Uranus, the planet with the heartbeat of 84 years, or half of the 168-year judgment hour. It is the timekeeper that marks out the millennia.

However, Ellen G. White also indicates that something else must happen before the millennial rest:

Then commenced the jubilee, when the land should rest. I saw the pious slave rise in victory and triumph, and shake off the chains that bound him, while his wicked master was in confusion and knew not what to do; for the wicked could not understand the words of the voice of God. {EW 286.1}

As she indicates, first the jubilee begins (with the last trump), then the land "should" rest, i.e. shortly thereafter. The events described with the pious slave and the wicked master must happen before the millennial rest.

Remember also what was described by Ellen G. White in her biography, just before the Orion Nebula:

Next came the description of Uranus, with its six moons; then a wonderful description of the “opening heavens,” with its glory, calling it an opening into a region more enlightened. Elder Bates

said that her description far surpassed any account of the opening heavens he had ever read from any author. {BIO 113.6}

We wrote a beautiful article about this entitled [17 Moons and a White Horse](#) that would also be a blessing to re-read at this time. But in the present context, notice that the Lamb—representing Jesus—holds Uranus with its six moons in His hand just before we expect to be taken to the Orion Nebula!

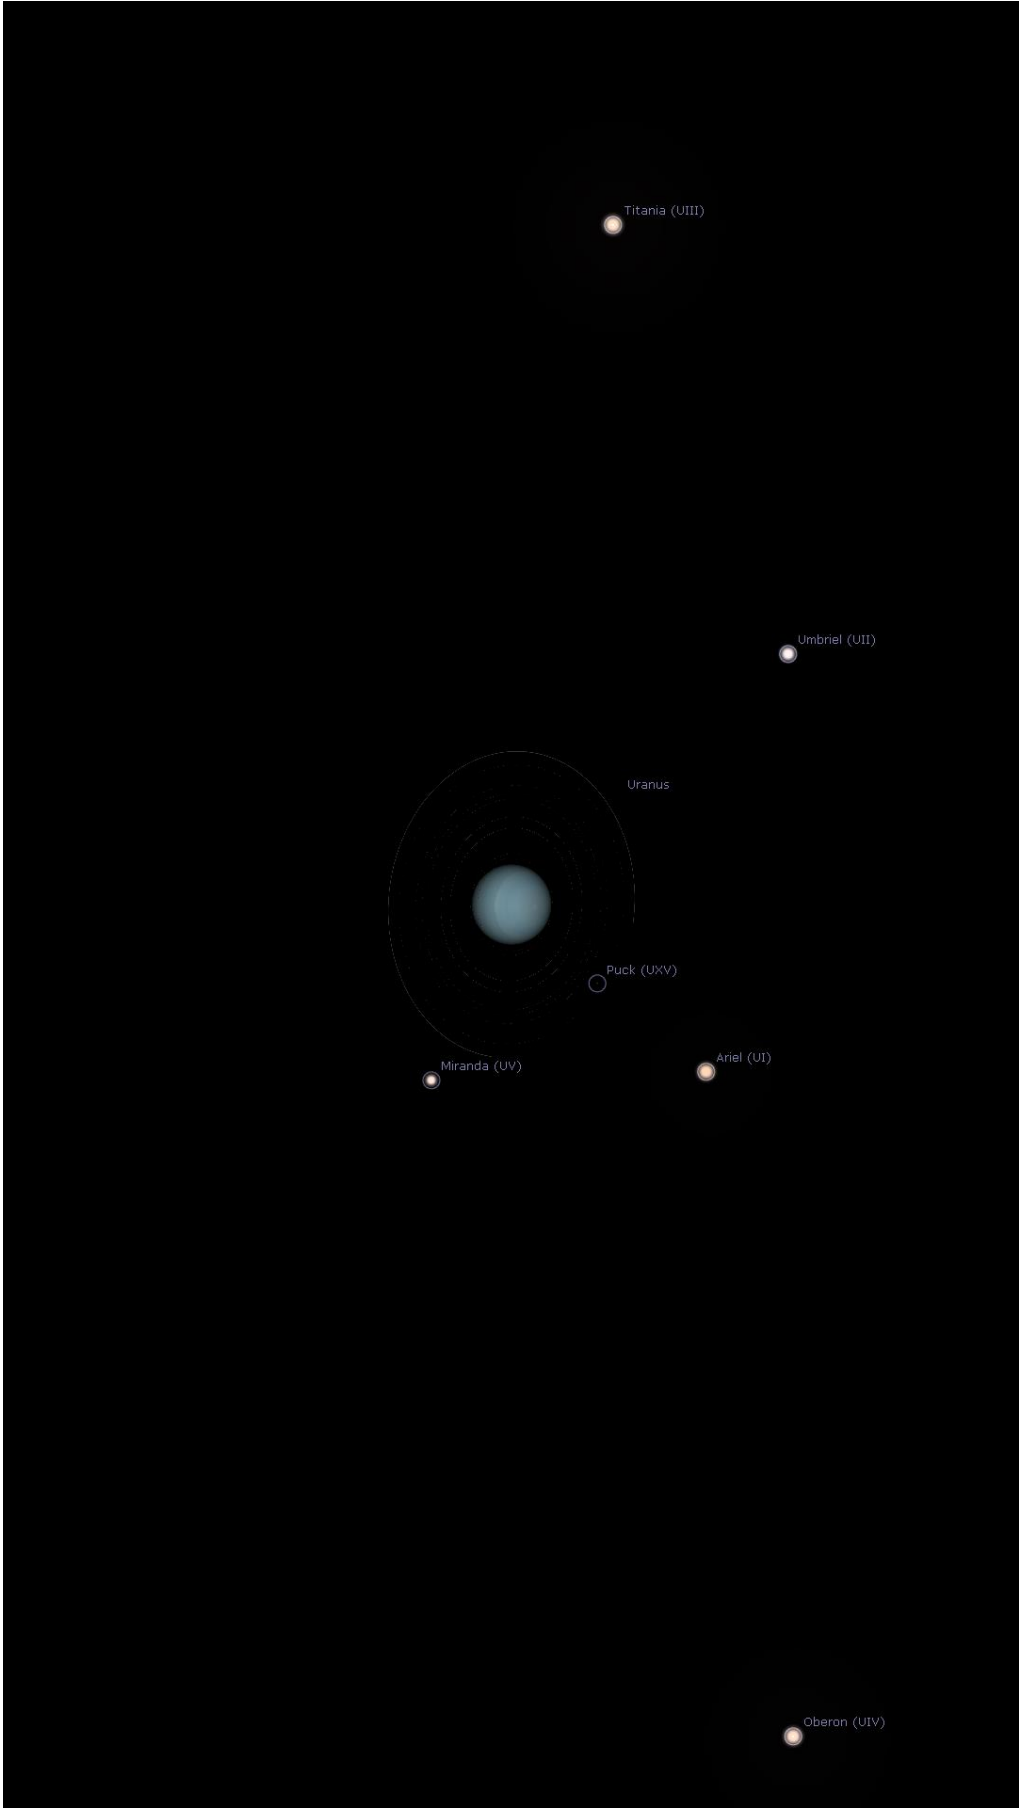

The picture above shows when all of the “eagles” have entered the “carcass” of Capricornus. This is March 7, 2022, shortly after the sign of March 5 when the sun was riding Jupiter like the man in sheep's clothing (in Brother John's dream) followed by the other animals.

Now we can understand better what “rest” we have been waiting for in relation to the word that Sister Miriam received: it is not the Sabbath rest of March 5, 2022, but the millennial rest that is signified by the Lamb holding **the sealing planet, Uranus, in his hand!** Remember, the Sabbath is a seal for God's people:

*I am the LORD your God; walk in my statutes, and keep my judgments, and do them;
And hallow my sabbaths; and they shall be a sign between me and you, that ye may
know that I am the LORD your God. (Ezekiel 20:19-20)*

On March 3, we were looking for the sign of Jesus holding the sickle and trumpet in his hand, but we could not confirm it with a moon sighting on March 3 (nor March 4), and since then, the moon has moved away and is no longer near the sun nor alongside the comet. But here on March 7, 2022, we see the Lamb—also a figure for Jesus—with something in each hand: the moon and Uranus. It does seem reversed compared to Ellen G. White's description of Jesus on the white cloud, in which she said “in His right hand was a sharp sickle; in His left, a silver trumpet,” but the sign is still too impressive to ignore, and a few hours later the “hands” are switched anyway.

Uranus is the “seal” planet, and the “Lamb” is the One who is worthy to open the seals. Notice that Uranus even has fine rings—like a seal:

The Lamb (Jesus) represented by Aries is the One who opens the seals of the book of seven seals and blows the silver trumpet! **This means the trumpet sounds on March 7, 2022, and with it the seventh seal opens.**

This beginning of the seventh seal also falls on the Saiph point of the next Orion cycle, because the seals should open according to “the book of seven seals.” Everything is done in perfect harmony with God's word.

Why is there a duration of a half an hour mentioned in the seventh seal? It is because the 84 years of Uranus' orbit is half the duration of the judgment “hour”: the half an hour points to Uranus as the heavenly body associated with the seals. In this sense, it's not about the duration of half an hour but about the clock hand that shows half an hour increments. Although Uranus points to long time periods, it is also the most precise in this sense, indicating the shortest duration of time in the Bible (half an hour).

Ellen G. White described Uranus with six moons, although Uranus has many more moons and the sixth moon is not very bright like the first five. Why did she describe it as having six moons? It is because seven is the number of completion and is signified by Uranus itself. Did you notice that Uranus is also called Chronos by some? Chronos means TIME!

Dear friends, it was a great joy to learn about these things on Friday night, and it was a joy to understand that our rest from our labors in this world is very near. In the rest of this post, we will share with you what we learned during our Sabbath service as we studied in more depth.

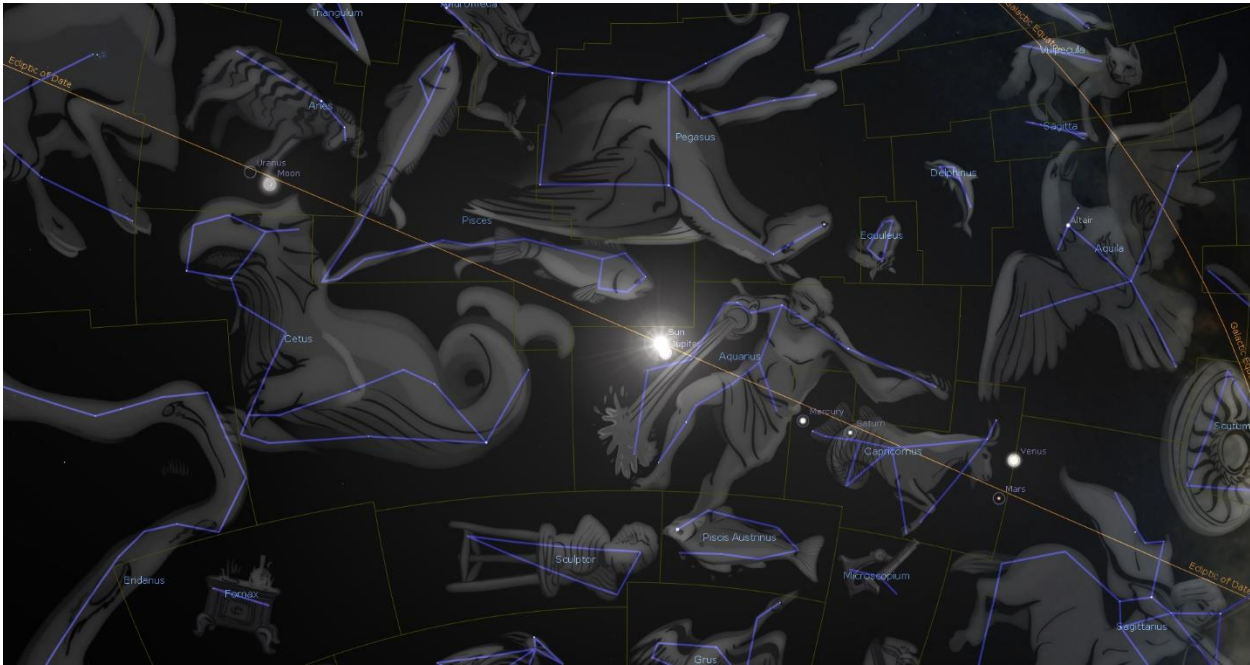

The Bible describes the resurrection as follows:

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. (1 Thessalonians 4:16-17)

This verse describes Jesus descending, but we know He remains in the cloud and does not touch the earth. The angels come down and carry the redeemed to the cloud.

An archangel is one of the two covering cherubs who cover the ark of the covenant. In the Bible, the two names of the archangels are Michael and Gabriel. In the temple of Solomon, an additional two large angels were depicted on the wall behind the ark of the covenant.

If we look at the constellations of the Mazzaroth with our recent knowledge, we can find these archangels represented in the constellations themselves. There are two constellations that symbolize Jesus in the Mazzaroth: Leo, as the lion of the tribe of Judah representing Jesus when He was born as a child. This was symbolized in the great wonder of Revelation 12 as it was represented by Jupiter in Leo as the star of Bethlehem signifying His first coming. However, because of His sacrificial love in dying on the cross to atone for our sins, another constellation symbolizes Him as the sacrificial Lamb: Aries, the ram. This is the constellation that symbolizes His work in providing His blood on the mercy seat. Thus, Jesus (or Michael the archangel) stands at the right hand of the Father, whose throne we now know is represented by Aquarius. Here is the picture again for convenience:

We will come to why Pisces is there, but first let us find the other archangel. We understand that Gabriel is the other archangel **who replaces Lucifer who fell**. Therefore Capricornus, the fish-goat who sits on Aquarius' left hand, would represent the other archangel. We already know this constellation is a symbol for Satan. But it is also a two-part creature, in as much as Lucifer is being replaced. Satan with the fish hat of Dagon is being replaced with the goat as a clean, sacrificial animal that is similar to a sheep. (Remember Brother John's name "Scotram" has the reference to him as a kind of "ram"). So, we have found the other archangel and now the sun (as the Shekinah glory) is in the middle.

Notice that the head of Capricornus (i.e. the leading part of the body) is the goat part. This is suggestive of how God promised that He would make His people the head:

And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them: And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them. (Deuteronomy 28:13-14)

(There was also a complimentary curse for if Israel would not obey the Lord; it could go either way.)

Notice that the sign of Jupiter as the great white cloud is not literally possible to see with the naked eye because it is too close to the bright sun. It will not be possible to see Jupiter until it is separated enough from the sun so that the sun's glare is not too bright. If we look in Stellarium with atmospheric effects to try to see when Jupiter would become visible again, we come to the following view:

At that time, you see Mercury has also "come up hither" to the great white cloud! Notice the date: March 21. This is the first chance to see Jupiter after the spring season begins, as the equinox is mid-day on March 20). We heard the voice of sun, the Bridegroom, calling us "up hither" (i.e. to where the sun was, on the cloud/Jupiter), and now Mercury as a symbol for the fourth angel's movement has arrived there. This would suggest that the arrival in heaven is on March 21.

The word of Miriam on March 1, 2022 that said to "Wait" could also thus be pointing to March 21, similar to the 21 days (three full weeks) that Daniel had to wait to meet Gabriel, as a type for our meeting Michael in heaven. Now think about it: we have the Saiph point on March 7, 2022, which is the date of the "white horse" star. This corresponds to the coming of Jesus on a white horse with all His hosts in Revelation 19:11-14. Furthermore, in 1 Thessalonians 4:16-17 it says that Jesus "descends from heaven with a shout," which we could also identify as happening on March 7, 2022 through the sign of Uranus and the sharp sickle in the hands of the Lamb.

So, logically, how long would Jesus be descending? If it were instantaneous, He would not be described as "descending" or "coming" but simply as appearing, so there must be some time involved. If we arrive on March 21 and our travel should take seven days, then His coming must also take seven days. He would start to come on March 7, then we would be raptured on March 14, and finally we would arrive in the great white cloud on March 21, 2022.

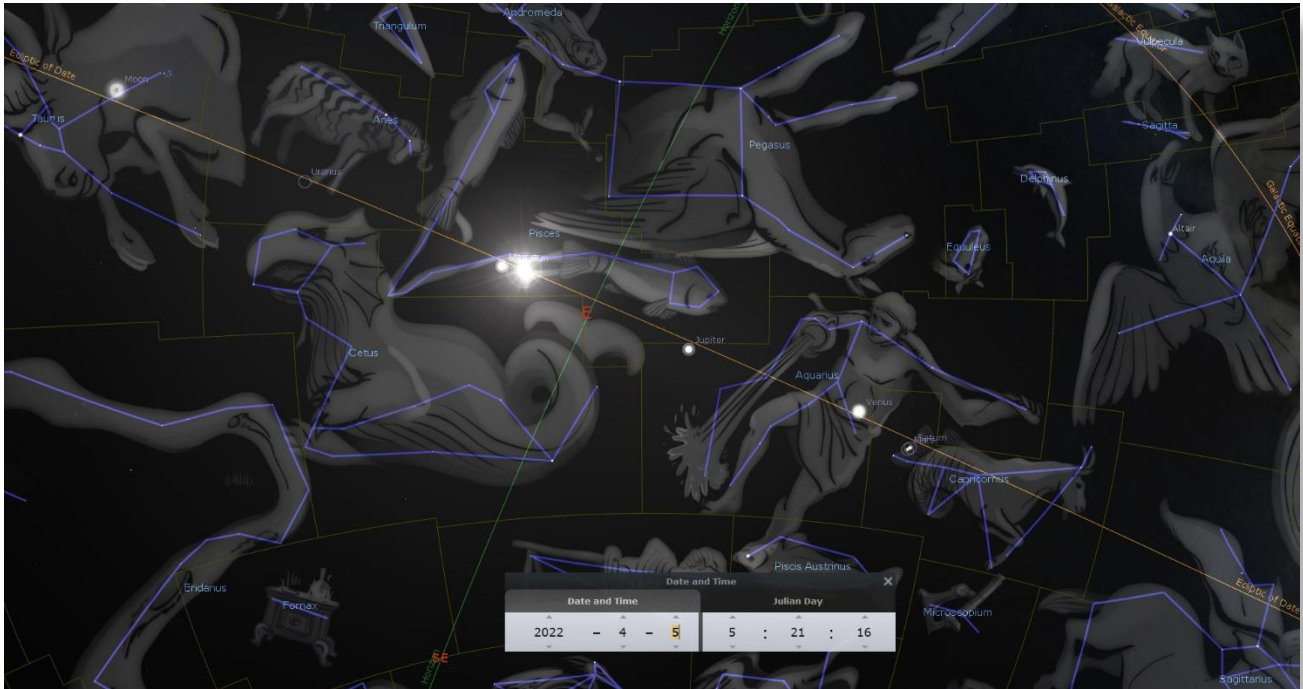

To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne. (Revelation 3:21)

The spring equinox is also the earliest time for the beginning of the new Jewish year, and the position of the sun at the spring equinox is called the "vernal point" which migrates slowly over the millennia, thus defining the ages. From the time of Christ till recently, we were in the age of Pisces. Now we are beginning the age of Aquarius—not based on the constellation lines, but based on the timing of Uranus which is the clock hand of the great 2016-year cycles, and also in connection with the spring equinox (hence, March 21, 2022 is our arrival).

Note that Uranus stays in each constellation for about 7 years. This is the sabbatical rhythm, and the sign of Uranus in the hand of Aries signifies that this coming year is a year of rest, i.e. the great Sabbath millennium. But when exactly does the millennium begin, when Satan is bound? It must begin on March 14, 2022, when the rapture takes place.

Not everything happens on one day; everything has its time, and every detail is written in the Bible. Mercury also has to "come up hither". Once we are there, Jupiter will have the coronal halo of light to place on the heads of the saints in the coronation ceremony of the 144,000. This sign is according to our perceived time, but it will already be the year 3020 in earth time when the coronation will take place, after the millennium, due to the travel.

Our perceived "March 21, 2022" is also the eve of the marriage supper and the resurrection of the wicked after the millennium. If we follow that thread and move forward another 15 days in Stellarium, we come to "April 5, 2022" (very near our important April 6 anniversary date) and we see the following:

Here it is clear what is happening: this is the day of the great coronation of Jesus Christ over all the universe, when Satan will be destroyed forever and the New Earth will be created in front of our eyes. Mercury as a symbol for Gabriel stands before the Bridegroom as a symbol for Jesus, to place the crown on His brow! Both of the two witnesses are there in the presence of the two fish of the constellation Pisces, representing the multitudes of the redeemed, some who died like Moses and others who ascended without tasting death like Elijah.

These signs complement the signs we saw in 3020 after the millennium, but these are shown according to time as it is felt by the saints.

Meanwhile, over in Capricorn there is a conjunction of Mars and Saturn, symbolizing the final destruction of Satan and the eradication of sin from the earth.

And death and hell were cast into the lake of fire. This is the second death. (Revelation 20:14)

Starting from the time of our rapture on March 14, 2022 and counting back to the beginning of the 1008-year millennium, we find the year in which Jorge Mario Bergoglio was elected as pontiff and Satan entered into him to reign over the earth, on the throne prepared for him at the G20 summit in Mexico in 2012. He will have reigned nine years.

As mentioned in the Notary article, Uranus' 84 year orbit squared (84 x 84) is 7056 years. This is 7 x 1008, or in other words, there are seven 1008-year millennia from creation in 4037 BC to the New Earth in 3020 AD. These "half an hour" millennia constitute a total of three and a half great cycles of 2016 years during which the two witnesses worked together to accomplish the plan of salvation: a time, times and an half.

How do we account for the fact that for nine years, Pope Francis has been ruling during the seventh millennium? It is in the text of the seventh seal:

And when he had opened the seventh seal, there was silence in heaven about the space of half an hour. (Revelation 8:1)

It says "about" half an hour because those nine years were taken away from the half an hour of the millennium for his reign on earth.

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: (1 Peter 5:8)

And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. (Revelation 17:12)

Satan is given to reign through the nations of the earth for "one hour." An hour is not nine years but seven, according to the Judgment clock that was still running at the time of Pope Francis' election. The Bible says the ten horns reigned with him for one hour (seven years) because it wasn't until 2015 at the UN GA that the ten horns (all the kingdoms of the earth) received power to reign with the pope.

So, the rest that we are waiting for should begin on March 14, 2022.

There remaineth therefore a rest to the people of God. For he that is entered into his rest, he also hath ceased from his own works, as God did from his. Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief. (Hebrews 4:9-11)

And 1008 years of the millennium divided by 84 years (the orbit of Uranus) we have the result $1008 \div 84 = 12$. This is the number of the covenant, which, when sworn ($\times 7$) is 84 again. And when we take the 1008 years of a millennium into the oath ($\times 7$) we get 7056, the entire span of time from Creation to New Earth.

Thus God has used the special and often overlooked planet of Uranus to seal His message from Orion, to place the millennial Sabbath seal on the Orion message. This last message of the Sabbath rest came on the High Sabbath of March 5, 2022. And then to close it, the Lord granted a touching illustration. Please read the following articles and look out for the details:

[Water Harp creates ripples at its unveiling at Expo 2020 Dubai's Paraguay Pavilion](#)

That press release is dated Friday, February 4, 2022, which fell within the last throne line dates of the Orion clock (while many events were happening to signal the fall of Babylon), and the harp was part of a performance on Saturday, February 5. The whole expo started in October of 2021 and ends on March 31, 2022.

Hear this, all you peoples; listen, all who live in this world, both low and high, rich and poor alike: My mouth will speak words of wisdom; the meditation of my heart will give you understanding. I will turn my ear to a proverb; I will expound my riddle on the harp. (Psalm 49:1-4)

Notice the headline of this next article:

[Campaign Spotlight: An Harp gives voice to water to transmit a message of global awareness, in a creation by Oniria\TBWA for H2O Sounds of Water Orchestra](#)

It says that it was intended as a "campaign spotlight" to "give voice to water to transmit a message of global awareness." What a fitting expression to describe the message of the [voice of God](#) like many waters that will reach the hearts of the whole world (sooner or later for better or worse)!

Watch the video in that article! There you will see the man with the water jug ("Aquarius") who pours the water of life into the harp, to make the sounds of the song that only the 144,000 can learn:

And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. (Revelation 14:2-3)

Among other things, the article speaks of a "water crisis," which signifies the end of our work and that the living water from the voice of God is disappearing from the earth as the Holy Spirit withdraws with the saints.

And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee; (Revelation 18:22)

If we are judged worthy, we will then have our own harps in heaven to pour out our songs of praise there. May all y/our sins be confessed and covered by the Bridegroom so that we may meet at His table.
